RE: 3A State Baseball Tournament

Weiser High School is hosting the 2024 3A State Baseball Tournament on May 16th, 17th, and 18th. We are looking forward to hosting this year's tournament, which brings together the best 3A baseball teams in the state. This year's tournament is scheduled to be played at Elmore Vail Field on the campus of Northwest Nazarene University in Nampa, Idaho. Our back up field, in case NNU hosts the 1st round of their Post Season Play, will be at Columbia High School. Weiser High School is looking forward to welcoming the schools, teams, and students participating in this year's event.

Our state tournaments have traditionally been conducted in like manner; keeping the educational value foremost in mind. Every effort will be made to protect the welfare of the participants while providing the opportunity for each to benefit from the experience. We encourage everyone involved (players, coaches, administrators, reporters, and spectators) to cooperate in making this year's tournament a wholesome, worthwhile, and educational experience.

Please contact me with any questions you may have in advance of this year's tournament. We are very excited to see you later this spring. Good luck with your season.

Sincerely,

Bowe von Brethorst
