CONSENT AGENDA

A motion was made to approve the minutes from the April 6, 2022 Board of Directors Meeting.

Motion carried

Ty Jones reported on the financials stating the report is not yet complete and should be finalized the beginning of July. We are still waiting on some bills and sponsorship money to come in. The end of year was pretty strong although our contingency fund is down about \$20,000 from where it was nine months ago. There has been some fluctuation in the stock market but we are confident it will come back. Revenue looks pretty good. Activities did really well. Expenses increased quite a bit due to travel, hotels and the 10% raise for officials. Overall, it was an expensive year but a good year.

A motion was made to approve the financial report as of April 1, 2022-May 31, 2022.

Motion carried

A motion was made to approve the IHSAA Board of Directors Action via Phone/Email.

REPORT AGENDA

YEA Update

Julie Hammonds reported on the YEA stating the fund, as of June 2, 2022, was at \$4.452 million. Disbursement total is estimated to be a little over \$155,000. Congratulations to Deary High School for becoming fully vested bringing the total of vested schools to 72. A couple of changes from the last board meeting were made. First, beginning fall 2022, all jamborees must charge a minimum admission fee of \$5 for adults/\$2 students. If a school is not able to have a gate, there will be a flat rate charge. Those schools will need to contact Julie Hammonds to discuss. Second, beginning fiscal year 2022-23, the YEA will disburse 4% of the fund balance on June 30th. The first 3.5% will be disbursed as it has been and the additional .5% will be divided evenly among all vested schools.

Dairy West Update

Ty Jones reported on Dairy West stating they have been a fantastic sponsor and we are pleased to continue our partnership with them ~ going into our 39th year. Sweatshirt numbers were discussed along with milk crews. They are also working on streamlining their Dairy passes.

Marketing Update

Zach Hoffman gave the marketing update stating the Athlete of the Week program, sponsored by Toyota, went really well. There were close to 400 nominations in just the short time the program ran ~ which is outstanding. A big thank you to everyone that participated and sent in nominations. The sponsorship with Biden has been renewed through 2025 and we are currently in the process of renewing sponsorships with McU Sports and the Army National Guard. A new program sponsored by Les Schwab will be starting this fall; the Team of the Month. This program will be similar to the Athlete of the Week but will be highlighting outstanding teams. More information to come.

Officials Update

Darren Krzesnik gave the officials update expressing gratitude to the board for waiving the fees for the first- and second-year officials hoping this will help with recruiting. Darren also addressed a few concerns that included the 4-3 Rule and training for the shot clocks.

2022 NFHS Legal Meeting

Ty Jones reported the NFHS Legal meeting was held in Indianapolis this year. Two main topics that were discussed included transgender and Name/Image and Likeness. It is always good to attend these meetings and check policies.

Schools of Excellence – End of Year Standings

Julie Hammonds reported the year end standings have been sent out and are posted on our website. Awards will be given out at our annual meeting on August 3rd at the Boise Centre.

2022 Administrative Workshops

Ty Jones reported the date and locations for the Administrative Workshops are posted however we are still needing some confirmation on dates from some districts. Once we have received confirmation, the updated information will be sent out.

2022-23 District Rules Clinics

Ty Jones reported the information on the 2022-23 district rules clinics has been posted. We are still waiting on a few dates and once we have confirmation, we will update our website and send out.

2022 Spring Sport Concussion Numbers

Ty Jones reported on the spring concussion numbers stating we are missing a few schools and only 142 schools reported. With the numbers we have received so far, the numbers are low which is a good thing.

2022 State Speech

Julie Hammons reported on State Speech stating it was held at Highland High School this year. Jett Smith did a fantastic job as manager and overall, it was a very successful tournament. Technology for speech arts has come a long way. Everything is very streamlined and is now 100% online. We are very fortunate to have knowledgeable speech coaches in our state.

2022 State Golf

Julie Hammons reported State Golf was held in the Treasure Valley this year. There was a little shuffling of host sites leading up to the tournament but it all worked out. The schools and courses that hosted did a fantastic job. The weather was good and the tournaments were great. There was only one small issue which was a shortage of golf carts for our patrons.

2022 State Softball

Julie Hammons reported on State Softball stating it was held up north and we did chase weather a bit. There were some delays due to lightning and we had to relocate the last few 2A games from Orofino to Lewiston due to rain. Thank you to all of our managers and officials for doing a fantastic job and especially Pat Zink.

2022 State Tennis

Mike Federico reported State Tennis was held in the Treasure Valley this year and we were fortunate to have good weather. A huge thank you to the schools that allow us to play on their courts and to all our managers. We simply could not do hold these tournaments without them. Expenses were up due to the lack of availability of tennis balls and having to buy enough for two years along with adding rain crews. We will be looking at some possible rule changes regarding game limits and wait times.

2022 State Track

Ty Jones reported on State Track stating 1A/2A/3A was held at Middleton High School again this year while 4A/5A was moved to Dona Larsen. There were a few issues with food and parking at Dona Larsen and gates were down from last year. However, we had great weather at both sites and overall, it was a great event.

August 3, 2022 Board Meeting, IHSAA Annual Meeting & Hall of Fame

Ty Jones reported the August Board Meeting will be held on Wednesday, August 3rd at 8:00 a.m. at the IHSAA office, followed by the IHSAA Annual Meeting at 1:30 p.m. at the Boise Centre. The IHSAA Hall of Fame Banquet will be held at the Boise Centre on Wednesday, August 3rd at 6:30 p.m. Tickets will be available online; the link will be posted on the IHSAA website. Ticket prices will be increased to \$50 and there will only be one entrée choice.

Student Advisory Council

Mike Federico stated the Student Advisory Council continues to grow and is now at 22 members. He introduced William Tadge, SAC President from Eagle High School. William reported on the SAC year in review stating they met twice last year and put on the Spring Summit. The Spring Summit was a huge success and something they are excited to continue doing. Battle of the Bands will also continue.

XVI. Pep Band Policy for district tournaments, playoffs, and state tournaments.

1. Definition: an instrumental music group from the school's music program designed specifically to perform before games, between quarters, at time outs, and halftime. The band must contain typical pep band instrumentation (flute, saxophone, trumpet, etc. – keyboards and guitars are allowed)
2. All pep bands must make previous arrangements with the site director. The site director will arrange for admission either by passes, gate list, or other means.
3. The pep band must be under the direction of the school band director or his/her designee.
4. When a pep band is present, recorded music is not to be played over the speaker system unless the band chooses not to play. The band director will check in with the site host upon arrival.
5. Bands are allowed to play up to 20 minutes prior to the game (during warm-up time), between quarters, time-outs, and halftime if no other group is performing.
6. Bands may play their school fight song immediately following the announcement of their team's starting lineup. Band directors will need to communicate with the announcer if they choose to do this.
7. Band directors need to communicate with the site host, tournament manager, or announcer to determine if announcements are needed during halftime or at quarters.
8. **When two bands are present:**
 - a. The home team school will play the national anthem. Both bands should come prepared to play the national anthem.
 - b. Bands are to alternate playing times, every other time out, every other quarter. During warm-ups and halftime bands should alternate every song. Upon arrival, the band directors are responsible to communicate and determine who will play first.
9. Bands are not to play instruments while the ball is in play. Band directors should be aware of the game and be prepared to stop the group when play resumes.
10. Immediately after the final buzzer, the winning team's band may play their school's fight song or another victory song of their choice. The losing team's band may play their school's fight song afterwards.
