CONSENT AGENDA

A motion was made to approve the minutes from the April 5, 2023 Board of Directors Meeting.

Motion carried

Ty Jones reported on the financials stating the report is not yet complete and should be finalized the soon since we are still anticipating some bills and softball money to come in. Our contingency fund is currently at about \$550,000 and we are estimating that our total revenue will be around \$2,560,000 once all is said and done. Expenses have increased but overall, we are in good shape and we are expecting to end in the black.

A motion was made to approve the financial report as of March 18, 2023 – May 26, 2023.

A motion was made to approve the IHSAA Board of Directors Action via Phone/Email.

REPORT AGENDA

YEA Update

Julie Hammons reported on the YEA stating the fund balance, as of April 30, 2023, was at \$4,484,126.00. Disbursement total is estimated to be a little over \$155,000 plus the additional .5% that will be divided equally between all fully vested schools. Our total number of fully vested schools is now at 77 with the addition of the following five schools; Boise, Capital, Oakley, Rocky Mountain and Vallivue. This fall the YEA will be adding a donation page to their website for online donations. More information on this will be sent out. New board members were announced; Jason Warr, West Ada District AD, for District III and Chad Williams, Shelley School District Superintendent, for District VI.

Dairy West Update

Nothing new to report. This year we will be celebrating the 40th year anniversary of partnering with Dairy West. We are very thankful for their long-time partnership and continued support.

Officials Update

Ty Jones reported on the officials update stating there was a committee meeting regarding Rule 4-3 and the Oregon One Voice Initiative. These items will be addressed in the Action Agenda.

Marketing Update

Zach Hoffman gave an overview of the year reiterating that we will be celebrating the 40th year anniversary of partnership with Dairy West. Fortunately, we were able to secure several new corporate sponsors this year and will continue searching for more throughout the summer. For the upcoming year, Team of the Month, sponsored by Les Schwab, will be continuing and we are excited to announce we will be adding another person to the marketing team.

2023 NFHS Legal Meeting

Ty Jones reported on the NFHS Legal meeting which was held in Indianapolis again this year. Reagan Charlton, our legal counsel, was also able to attend. Idaho is facing a lot of the same issues that many other states are facing which include NIL and transgender participation. This meeting is always very informative and we are lucky to live in Idaho.

Schools of Excellence – End of Year Standings

Julie Hammons reported the year end standings have been finalized and are posted on our website. Congratulations to those schools! Just a reminder the 1A/2A/3A are based on a percentage and not total points. Awards will be given out at our annual meeting August 2nd at the Boise Centre.

2023-24 Administrative Workshops

Ty Jones reported the dates and locations for the Administrative Workshops are posted. However, we are still needing a few confirmations on some dates. Once this information has been finalized, it will be sent out.

2023-24 District Rules Clinics

Ty Jones reported the 2023-24 district rules clinics has been posted. We are still waiting on a few dates and once we have confirmation, we will update our website and send out.

2023 Spring Sport Concussion Numbers

Maire Dickens, IHSAA intern, went over the spring concussion numbers stating the numbers did go up a bit from last year but the number of participants also went up. The numbers for girls soccer were up considerably from last year which is a bit concerning and something we will look at.

2023 State Speech

Mike Federico reported on State Speech stating this year it was held at Lake City High School. Thank you to Caleb Dreschel and his crew for doing an outstanding job. We had 42 schools with a total of 337 participants. Everything ran very smoothly and overall; it was a great event.

2023 Spring State Golf

Julie Hammons reported on spring State Golf stating the 2A was held at Sage Lakes Golf Course and 3A was held at Blackfoot Golf Course. The weather was great and the managers did a fantastic job. There were quite a few inquiries regarding moving the 2A/3A's to the fall.

2023 State Softball

Julie Hammons reported on State Softball stating again we had great weather and some great tournaments. Thanks to all our managers for their hard work. The 1A's were moved to a Thursday/Friday format with an 8-team bracket and the new changes worked really well. The weather really makes a difference in softball revenue and we had some pretty good gates this year. A few things need to be tightened up but overall, we had some really great tournaments.

2023 State Tennis

Mike Federico reported on State Tennis stating we were thankful the weather cooperated and there was no rain. We weren't able to use Appleton and were very appreciative to the Boise School District for the use of Timberline and Borah High Schools' courts. A huge thank you to all of our managers especially to Brian Barber and Larry Stocking for stepping up to manage some sites. Some new items this year included using Real Time Scoring, 3rd Set Tie Break and a new time schedule. Everything went really well and we had some really great tournaments.

2023 State Track

Ty Jones reported on State Track stating 1A/2A/3A was held at Middleton High School again this year while 4A/5A was moved to Mt. View High School. Unfortunately, there was a slight issue with parking since there was also a dance competition that same weekend. However, we were thankful for the good weather (it was actually hot) and as always, our tournament managers and workers did a great job. We didn't have any major issues with the heat and overall, it was a great weekend.

COMMITTEE INPUT & SUGGESTIONS

Should the IHSAA continue using MaxPreps to seed state tournaments in the sports of VB/SOC/BB/SB/FB?

- Yes – with modifications/improvements

Should post season tournaments be included in the rankings?

- Coaches and Admin. want district tournament included
- Reward district champions

Out of State Tournaments/Showcase Tournaments; should they be included in the rankings?

- Not the same opportunity for all schools

Other Points –

- Do we accept games/changes after the deadline?
- Play-In games – Use MaxPreps for home team and/or seeding
- Committee to change bracket based on head-to-head and similar conference matchups
- MaxPreps could create an Idaho [RPI system with MaxPreps](#).
- Teams should not be penalized for playing a bad team that we are forced to play in league.
- Selection Committee/Polls

MaxPreps Proposal – June 2023
