Becoming an Official

We are so excited to hear about your interest in becoming an official. There is a great need for officials across Idaho so thank you for reaching out. The friendship and camaraderie are hands down one of the greatest reasons to officiate. Here is what you will need to become a high school official.

Registration is through Dragonflymax.com our assigning platform

1. <https://www.dragonflymax.com/module-1-signing-up>
2. Once you are registered you will complete your Sudden Cardiac arrest course and St. Luke's Concussion course. The courses can be found in your dragonfly account once created. You can also go to <https://idhsaa.org> and the two links are found under the "Officials" tab under courses.
3. There will be a NFHS test per sport that your commissioner will go over with you. It is 50 questions, you can take the test up to 5 times and it is open book.

You must attend a Rules Clinic per year

Rule clinics are posted on our website at the beginning of every year on July 1st.

There will be rules clinic in your area, these meetings are required to attend in person or on-line. You will get all information from your commissioner that you will need for the season as well as your hard copy of the rule books.

Uniform and equipment

The IHSAA will contact you with commissioner contact information. Your district commissioner will let you know all you need to get the year started. It is important to reach out to your commissioner to let them know you are ready to officiate or with any questions.

2023 Football Season

August 7: First day of practice without pads for schools.

August 18: First day of competition for schools.

*All teams will be required to enter rosters, schedules and scores on MaxPreps.

Football Sports Practice Model

The IHSAA Board of Directors has adopted the fall sports practice model for football.

Ten Day Practice Rule

Ten days of practice, in the sport, must be conducted before an athlete participates in a contest regardless of when they become a participant on the team. Helmets may be worn on the first day. Each player must have at least two (2) days of practice without any pads. Shoulder pads may be worn on the third (3rd) day and full pads on the fifth (5th) day.

Game Limitations for Each Team

No team may play more than nine games maximum for regular season play. No interschool football game will be approved unless at least five days have elapsed from the date of the previous game by that team. The term "football team" includes sophomore, junior varsity or varsity teams in grades 9-12. With approval, a team may play on the fifth day following competition.

Game Limitations for Individual

An athlete is permitted to play a maximum of four quarters of football per day and five quarters of football per week. 1A and 2A football players may play in six quarters per week and five quarters per day providing they are not a varsity starter on offense or defense.

The week in which the five/six quarters may be played is measured from Sunday to Sunday. A student who played in two quarters of the varsity game on Friday night could play in three quarters of the JV game the following Saturday. A quarter is defined as: When a player enters play during a given quarter, the player will be credited with one quarter of play regardless of time played during the quarter.

When Playing Two Games the Same Day: Any 5A, 4A, or 3A, school may request a waiver of the four quarter per day, to five quarters per day. Any 2A, 1A, school may request a waiver of the five quarter per day, to six quarters per day. (Example: Varsity/Junior Varsity, Junior Varsity/Freshmen etc.)

Only those schools playing two games the same day will be considered. A letter requesting a waiver of the one day quarter rule must be submitted to the IHSAA signed by the principal and athletic director, that verifies:

1. There are 44 or fewer participants in the program at the 5A, 4A, 3A, 2A classifications, and 32 or fewer participants in the program at the 1A classification, and the program desire to field two teams; or
2. There are 61 or fewer participants in the program at the 5A, 4A, 3A, 2A, classifications, and 32 or fewer participants in the program at the 1A classification, and the program desires to field three teams; and
3. The lack of participants will cause the loss of a sub-varsity program; and
4. The lack of participants will cause the school to cancel scheduled games at the sub-varsity level; and

5. A reasonable number will be designated as varsity players (in any event at the 5A, 4A, 3A, 2A, classification not less than 15, and at the 1A classification not less than 7), these players to remain subject in 5A, 4A, 3A to four quarters per day, and in 2A, 1A to five quarters per day.
6. The school's coaching staff has not cut, nor will cut players, nor discouraged players from participating in football, regardless of ability.

A contestant who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored competition of that sport.

Scheduling Requirements

All member schools that sponsor football are required to participate in the statewide scheduling of varsity football games in order to provide all schools a full and competitive schedule.

Football Rules

The official rules for football in Idaho are the National Federation rules. Football Rule Books and Case Books are to be picked up and signed for by the school representative at the district rules clinic.

40 Point Rule: In eleven-man football, if at any point in the contest there becomes a 40- point differential between the teams, the mercy rule/running clock will be in effect at the start of the fourth quarter. Once the mercy rule is in effect, the game clock will run continuously. The only time the clock may be stopped is for injury time outs, team time outs and after a team scores. The game will be played until halftime even if the mercy rule starts in the first half of the game. The mercy rule is not in effect for IHSAA playoff or championship games.

Eight-Man Football Rules

Eight-man football shall be played under the same rules as eleven-man football except for the rule differences as listed in the NFHS rulebook. Three certified officials are required for all eight-man football games.

40 Point Rule: In eight-man football, when one team is 40 or more points ahead at the end of the first half, or if it secures such a lead during the second half, the 40-point rule shall be invoked. Once the rule is in effect, it will not be revoked.

After halftime, with the mercy rule in effect, the coach/administrator (on the losing side) may call a timeout to end the contest. Once the mercy rule is in effect the clock will continue to run and will only stop with the timeouts listed above or if the losing team calls timeout to stop the contest.

It is strongly encouraged that coaches and officials from both teams meet together prior to the contest to determine the course of action, especially if there is a strong likelihood the mercy rule may come into effect during the game. At the pre-game meeting the coaches may decide to end the contest at a certain number of point or talk through a course of action should the mercy rule come into effect.

Resolving of Ties

Games ending in a tie must be resolved by using the 10-yard line overtime procedure as outlined in the NFHS rules book. (Exception: In games that do not affect the determination of football playoff representation.) The decision to break ties or not should be made prior to the game by the two teams playing.

Safety

For protection of our participants, the IHSAA recommends the following:

1. Principals and/or activity administrators should prepare a letter for the football coach with instructions to not teach face-tackling or butt-blocking. A copy of the letter should be kept on file with the school.
2. Coaches should include, in their players and/or coaches manual, a description of the legal technique of blocking and tackling. Head coaches should be certain that the legal method is taught by all assistants. Protect yourself and your profession by teaching proper techniques.
3. An assistant coach or trainer should check helmets and other equipment periodically for breakage and improper adjustment.
4. Reasonably foreseeable dangers must be pointed out to participants. Possible catastrophic injuries, including paralysis and death, must be identified and warned against.
5. All rules of the game should be identified, adhered to, and reemphasized whenever they have been violated.
6. Documentation is essential. Protect yourself by keeping records of whom you have instructed and advised, when, where, and how. Keep the records in a safe place, and file a copy in the school administration office.

Heat Stroke

Heat stroke has been a major cause of death in American football during the past several years. These are preventable deaths, and this information is intended for Idaho coaches and trainers to outline a program for the prevention and recognition of this disorder.

1. **Acclimatization and Conditioning** - the most important force operating to prevent heat stroke is acclimatization. Players should be encouraged to start workouts 14-21 days prior to the first practice session.
The best single activity is running, and this should start with 20-30 minute workouts twice daily.
2. **Proper clothing** - jerseys should be short sleeved and lightweight. Cotton socks should be recommended.
3. **Fluid intake** - fluids should be available on the practice field for intake at all times. Athletes' weights should be taken by a manager before and after every practice. Those players who lose a large amount of weight (over 5 lbs.) should consume liquids to make up fluid loss.
4. **Practice** - With temperatures of 85 degrees and higher, caution should be exercised.
5. **Forced weight loss** - Never should an athlete be placed in any kind of plastic suit and be expected to workout in the heat, indoors or outdoors.

Recognizing Clinical Syndromes

Heat Exhaustion - is associated with weakness, profuse sweating, and often headache. Cooling of patient with fans and sips of liquids will usually relieve the symptoms in a few minutes. The temperature is normal.

Heat Stroke - is associated with unconsciousness in a patient with dry hot skin. The temperature is elevated. This is a prime medical emergency and minutes are precious. The patient should be packed with ice or cold cloths and rushed to a hospital. **In case of doubt, treat for heat stroke.**

State Football Championships

In the final round, all games will be played at a site determined by the IHSAA Board of Directors. State championship games will be held at Idaho's three university facilities, if possible.

Home/Visiting Team Designation for Championship Games

Home team: The team that travels the greatest distance to the site will be designated as the visiting team. The visiting team will be assigned the largest locker room with the most showers and restrooms and placed on the same side of the playing field as the press box. The visiting team will wear white jerseys. If both teams are from the same city, the team with the highest seed will be designated as the home team. Locker room, sideline placement and student sections will be assigned at the discretion of the site manager.

The following criteria will be used to determine sites for state championship games.

A. Number of Games

1. Idaho State University: There will be at least three games, preferably four, scheduled at Holt Arena. Two games may be scheduled on Friday. Suggested times are 1:30 p.m. and 6:30 p.m. The remaining game or games will be scheduled on Saturday, with times to be determined by ISU's football schedule.
2. University of Idaho: There may be a maximum of two games scheduled at the Kibbie Dome. If possible, games will be scheduled for Friday afternoon and evening. Game dates and times will be determined by the U of I football schedule.
3. Boise State University: There may be two games played at Albertson Stadium/Dona Larsen. Any classification could have championship games in Albertson Stadium/Dona Larsen. Game times and dates will be determined by the BSU football schedule.

B. Other factors determining the site of a championship game:

1. Travel: loss of instruction time for the two participating teams.
2. Geographical rotation based upon recent participation of the district from which the teams are participating.
3. Availability of lodging and meals for teams, support groups and spectators.
4. Availability of the site to set reasonable game times. No game may be scheduled to start after 9:00 p.m.
5. A region may not host a state championship game two years in a row unless both teams are from the same region.

The final decision in setting sites, dates and time for each state championship game will be made by the IHSAA District Representative Board Members and will be finalized by 10:00 a.m. the Sunday prior to the state championship game.

5A / 4A Financial Plan — Semi Final Round

This plan is for all 5A and 4A games except championship games.

1. Per game reimbursement
 - a. Travel: \$3.00 per mile (one way) towards the cost of transportation regardless of number of buses a school wishes to send.
 - b. Meals and/or lodging: (1) up to 200 miles one way - \$250, (2) 200-300 miles one way - \$500*, (3) Over 300 miles one way - \$2,000.
*Any contest between District II and District III will fall into category 3 due to the type of roads.
2. Trophy and medal costs will be shared by participating schools.
3. Reasonable local expenses - if the game is held in a non-school facility, rent will be paid.
4. IHSAA will receive 15% of gate receipts after sales tax deduction.
5. If the gate receipts are not sufficient to cover the on-site expenses, the travel reimbursement will be proportionate to the income.
6. Net receipts from all semi-final games will be divided among participating schools. Each participating school will receive one share for each game it plays.
7. The IHSAA will be in control of all media rights for the rounds of 8 and 16. All media money from these rounds will be returned to the participating schools.

3A / 2A / 1A Financial Plans – Quarter/Semi Final Rounds

1. Plan when the game is played at a host site:
The following expenses will be deducted before the revenue is shared.
 - a. Percentage to State Association (a) 10%, (b) 15%, (c) 20%
 - b. Officials
 - c. Percentage of cost of awards based upon the number of games in playoff
 - d. \$3 per mile one way for traveling team
 - e. Sales tax
 - f. The host team will be allowed up to \$175 for on-site expenses. The remaining revenue will be divided as follows:

a. \$1-\$1000	Home Team	45%
	Visiting Team	55%
b. \$1001-\$4000	If travel is over 200 miles, teams split 35-65 in favor of traveling team; otherwise, split is 45-55.	
c. Over \$4000	Home Team	48%
	Visiting Team	52%
2. Plan to be used when the contest is played at a site other than home site:
The following expenses will be deducted before the revenue is shared.
 - a. Percentage to State Association (a) 10%, (b) 15%, (c) 20%
 - b. Officials
 - c. Percentages awards costs based upon the number of games in playoff
 - d. \$3 per mile one way for traveling team
 - e. Sales Tax
 The remaining revenue will be divided as follows:
 - a. 0-100 mile difference - 50/50
 - b. 101-200 mile difference - 45/55
 - c. 201-up mile difference - 35/65
3. If the gate receipts are not sufficient to cover the on-site expenses, the travel reimbursement will be proportionate to the income.
4. The IHSAA will be in control of all media rights for the round of 16. All media money from this round will be returned to the participating schools.

Financial Plan for Championship Finals

The following financial plan is for the state football championship finals only.

Meal allowance based upon one way mileage:

	<u>0-200</u>	<u>201-300</u>	<u>301-450</u>	<u>Over 450</u>
1A	\$150	\$500	\$750	\$900
2A	240	800	1,200	1,600
3A	270	900	1,400	1,900
4A	300	1,000	1,600	2,200
5A	360	1,200	2,000	2,800

In addition to the above amount, each school that travels will receive \$3.00 per mile one way for travel. Example: Moscow travels to Pocatello for final round. Moscow is 524 miles from Pocatello. Therefore, they would receive 524 x 3 = \$1572 for mileage. Because they are a 4A school traveling over 450 miles, they would receive \$2200 additional.

The Board has no adopted formula for division of gate revenues for doubleheaders and tripleheaders. The Board will review each on an individual basis.

Playoff Sites

The Board of Directors will approve the sites, dates and times for all football playoff games at the January board meeting annually. In all playoffs, the host designation should not be construed to mean that the contest will automatically be played at that team’s home field.

In the second round, if both teams traveled or if both teams were home, the top team will be the host. If one traveled and one team did not in the first round, the host in the second round will be the team that traveled in the first round unless otherwise determined by that classification.

The host school has the right to host the game at their school or move it to a neutral site such as Holt Arena, Albertsons Stadium/Dona Larsen, the Kibbie Dome, or any site that meets the IHSAA state playoff requirements. Schools must receive approval from the IHSAA before scheduling playoff games at Holt Arena, Albertsons Stadium/Dona Larsen or the Kibbie Dome.

Playoff Site Requirements

Each District Board of Control must submit a list to the IHSAA of all potential sites that meet the requirements for hosting state football playoffs.

1. Adequate parking
2. Adequate spectator seating for the following classifications:
 - 1A: Home team: 200; Visiting team: 150
 - 2A: Home team: 400; Visiting team: 200
 - 3A: Home team: 600; Visiting team: 250
 - 4A: Home team: 800; Visiting team: 300
 - 5A: Home team: 1000; Visiting team: 500
3. Appropriate number of sites for ticket sales.
4. Football playing field area prepared to meet the existing weather conditions.
5. Adequate locker rooms with restrooms and showers with handicapped accessibility. Player restrooms shall be separate from spectators.
6. Adequate number of restrooms for spectators.
7. Adequate security to maintain crowd control. Playoff site management shall take necessary measures to prohibit home team fans from being in the visiting team spectator area.
8. The football field playing area shall be secured by a barrier that is at least seven yards from the out-of-bounds line. The barrier may be a fence, rope, or any other material that is not dangerous to spectators. The barrier shall be at a height of at least 36” above the ground. The barrier shall be monitored by game security to prevent any fans or spectators from being closer than seven yards from the out-of-bounds line.

Heaters (Playoff games)

Heaters must be made available to the visiting team if they are going to be used by the host team.

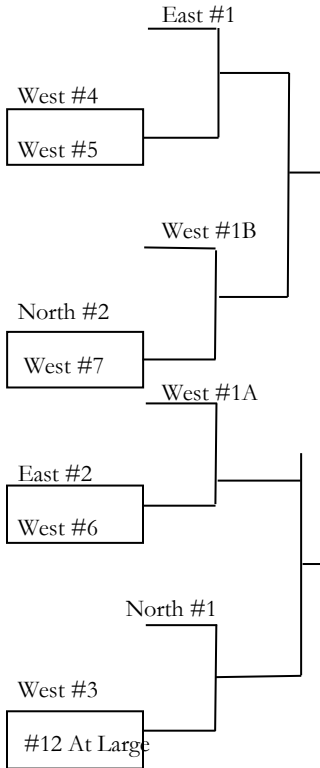

Pre-Tournament Practice

No team may practice in Holt Arena or the Kibbie Dome during the state playoffs. This pertains to all rounds of the state football championships, except the championship game. In the championship game, if one team has practiced or played in the facility during the current season and the opponent has not, a request may be made to the tournament director by the team that has not practiced in the facility on the day prior to the championship game. All requests will depend on the availability of the facility as determined by the tournament manager. If available, practices will only be scheduled one day prior to the championship game.

2023 Pairings

The top team in the bracket will be designated as the home team and will have the first option to provide halftime performances.

Football Rules Changes - 2023

Clarified That Towels Do Not Have To Be The Same Solid Color For Each Player [1- 5-3a(5)a 4, 5 (NEW)] — Player towels may contain one manufacturer's logo and/or one school logo neither exceeding 2¼ square inches. Towels must be a solid color but now do not have to be the same solid color for each player. Towels may not be ball- or penalty-flag colored.

Clarified When a Player Is Inbounds After Being Out of Bounds [2-29-1] — This change clarifies when a player is inbounds after being out of bounds. There is no change to any foul or subsequent penalty provisions, or any rules related to illegal participation or the provisions regarding eligibility to catch a pass.

Added A List of Criteria to Help Identify Players Who Should Be Defined as Defenseless Receivers [2-32-16d (NEW), 9-4-3g] — This change adds to the list of criteria to help identify players who should be defined as defenseless receivers related to application of unnecessary or excessive contact. This clarification should help game officials and coaches by defining allowable contact against defenseless receivers.

Intentional Grounding Exception Changed [7-5-2d EXCEPTION 2a, c (NEW), TABLE 7-5-2 d EXCEPTION 2a, c (NEW), TABLE 7-5 (1)d EXCEPTION 2a, c (NEW)] — This change permits the exception for intentional grounding to the first and only player to possess the ball after the snap ends.

Removed “Intentional” From Pass Interference in TABLE 7-5 [TABLE 7-5 2c (DELETED), 7-5 PENALTY] — By removing “intentional” from pass interference, this change puts the rule in line with how it is already enforced which is a 15-yard penalty.

Changes In Basic Spot Penalty Enforcement [10-4, TABLE 10-4 (NEW), 10-6 (DELETED)] — This change restructures and clarifies the amendments to Rule 10 to eliminate the excessive penalty enforcements for offensive fouls that occur behind the line of scrimmage. This revision stipulates the basic spot for enforcement of fouls behind the line of scrimmage is the previous spot rather than the spot of the foul unless otherwise specified by rule. Current penalties for illegal kicking, batting and

participation fouls, and provisions for offensive fouls occurring in the end zone that may result in a safety remain intact.

Clarification On The Ball Being Handed Forward On A Running Play [Six-Player – Rule 7g (NEW)] — The change allows the ball to be handed forward on a running play, including to the guards/ends, while prohibiting handing the ball to the snapper provided both players are behind the neutral zone.

GUIDELINES FOR HANDLING CONTESTS DURING **LIGHTNING DISTURBANCES**

The purpose of these guidelines is to provide a default policy to those responsible for making decisions concerning the suspension and restarting of contests based on the presence of lightning.

Proactive Planning

1. Assign staff to monitor local weather conditions before and during events.
2. Develop an evacuation plan, including identification of appropriate nearby shelters.
3. Develop criteria for suspension and resumption of play:
 - a. When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Suspend play and take shelter immediately.
 - b. Thirty-minute rule: Once play has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is witnessed prior to resuming play.
 - c. Any subsequent thunder or lightning after the beginning of the 30-minute count reset the clock and another 30-minute count should begin.
4. Hold periodic reviews for appropriate personnel.

For more detailed information, refer to the *Guidelines for Lightning Safety* section contained in the NFHS Sports Medicine Handbook www.nfhs.org.
