The neutral crew would come from the district closest to the game site. Example: A school from District V requests their football play-off game involving District IV use officials from a neutral district. If the game is played in District IV, District III officials would be used. If the game is played in District V, District VI officials would be used.

If circumstances exist where officials are not available from a neutral district, the officials will be assigned under the IHSAA standard policy for assigning officials to play-off games.
