4A Seed Placement for a Draw of 16

Place the top 5 seeded players according to USTA rules:

- The number 1 seed is placed on line 1
- The number 2 seed is placed on line 16
- The number 3 and 4 seeds are placed on lines 5 and 12. *Note: *The 3 seed will be placed on line 12 and the 4 seed will be placed on line 5 unless there is a district or school conflict. If that happens, seeds 3 and 4 will be flipped.*

The remaining 2 seeds will be placed as follows:

- The number 5 seed is placed on line 7
- The number 6 seed is placed on line 10 *Note: *The 5 seed will be placed on line 7 and the 6 seed will be placed on line 10 unless there is a district or school conflict. If that happens, seeds 5 and 6 will be flipped.*

Players 7-16 will be placed on lines 2, 3, 4, 6, 8, 9, 11, 13, 14, and 15, according to the following guidelines:

- In drawing players 7-16, we will remove any fellow district players for that same quarter
 - EX: If District 1/2 was drawn for a particular quarter, when the remaining quarter positions are drawn, all District 1/2 players will be removed from the draw process to ensure their names aren't drawn
