

# How to enter **PITCH COUNTS** on **MAXPREPS**

## OPTION 1

### Enter Pitch Counts Directly into MaxPreps

#### On MaxPreps.com:

1. Login to your team admin.
2. Confirm that your roster is entered.
3. Click on Schedule/Results to enter stats & pitch counts.

Schedule/Results > Enter/Edit Schedule & Results > Add/Edit

**Game Stats**

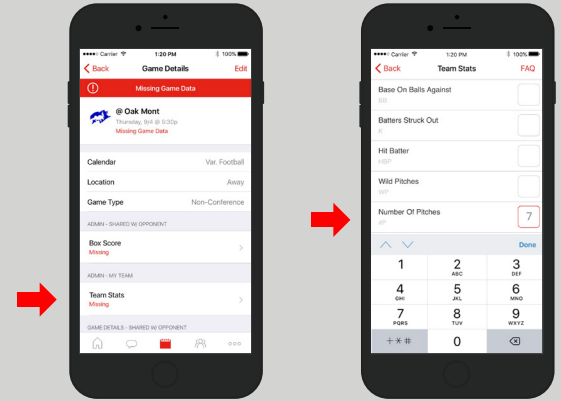

Select Contest  Enter Score  Batting/Baserunning  Fielding  Pitching  Enter Player of the Game >

**Pitching Stats**

IP	IP..	BF	R	ER	H	2B	3B	HR	SF	S...	BB	K	HBP	BK	WP	#P	PO	SB

#### On Teams by MaxPreps:

1. Select "Teams Stats" in your Game Details
2. Enter number of pitches then select "Save."

## GAMECHANGER

From your GameChanger account, follow these steps:

1. Team Settings > Team Syncing > [ENABLE MAXPREPS](#)
2. Sync your schedule and roster from MaxPreps to GameChanger by clicking the button on your GameChanger schedule and roster pages.

## OPTION 2

### Sync Your GameChanger Stats To Automatically Post On MaxPreps

Once your schedule has synced, your stats, **including pitch counts**, will auto-post on MaxPreps.

MAXPREPS

## OPTION 3

### Import stats with any MaxPreps compatible stat partner

MaxPreps is compatible with seven additional baseball stat companies allowing you to easily import your pitch counts from your favorite stat app. Use the following steps to import your stats. Email [support@maxpreps.com](mailto:support@maxpreps.com) for a list of compatible stat partners.

Email the stat file to your computer and then import them into your MaxPreps team admin using the Save & Import button.

Schedule/Results > Enter/Edit Schedule & Results > Add/Edit > Save & Import Stats

Save & Import Stats

Save & Exit

Save & Enter Stats
