

Idaho High School Activities Association

CLASSIFICATION COMMITTEE

The IHSAA Classification Committee was established by the Board of Directors to:

- * Receive all recommendations and proposals on classification/representation from member schools.
- * Thoroughly and thoughtfully review, deliberate on, and critique all concerns, complaints, and recommendations on classification issues and proposals.
- * Disseminate pertinent information concerning classification proposals to the Board of Directors and member schools, including but not limited to:
 - 1) IHSAA guidelines, concerns and directives
 - 2) Superintendent concerns, issues, and directives
 - 3) Legislative concerns and issues
 - 4) State Board of Education concerns and issues
 - 5) Conference/ league concerns and issues
 - 6) Classification concerns and issues
 - 7) All other information that may be useful when considering classifications and representations.
- * Develop and/or make recommendations to the IHSAA Board of Control and member schools on classification and representation proposals and issues.
