## Legends of the Game

---

### **Purpose**

The Legends of the Game program was established in 2001 to help preserve the heritage of Idaho high school athletics. Each year, an outstanding team of the past in boys and girls basketball is selected by the IHSAA Board of Directors. Ceremonies honoring the "Legends" are held at halftime of the 5A state championship games.

### **Criteria**

Boys Legends must be teams from at least 30 years ago. Girls Legends must be teams from at least 20 years ago. Teams may be nominated for a variety of accomplishments, including winning a state championship, win streak, win-loss records, outstanding player/coach accomplishments, etc.

### **Nomination / Selection Procedure**

Forms are sent to member schools each year. Nominations are due by September 1 to be considered for the current year. A screening committee of IHSAA district representatives will review nominations and make recommendations to the full Board. The Board will then select recipients at the September meeting.
