REPRESENTATION

Representation from district to state is based on the number of complete teams that actually participate at the district tournament. Representation for each district or regional tournament to state competition will be determined as follows:

<u>Teams In District Competition</u>	<u>Teams to State</u>
1-3*	1
4-6	2
7-9	3
10-over	4

* If only one team participates in a district, the IHSAA should be contacted. The following guidelines will be used to determine advancement to state:

- a. Single teams in a district shall automatically qualify for the state tournament as long as they have competed in five regular season matches and have participated in a district tournament.

INDIVIDUAL QUALIFIERS

Individuals may qualify for the state tournament according to the number of complete teams participating in the district tournament. Example: Four teams competing at district, the four lowest scoring individuals qualify for state. In addition, an individual may qualify by scoring at or below the state-qualifying standard at the district-qualifying tournament. State qualifying standards are determined by averaging the previous three years' state tournament 5th place finishers and are listed as "strokes over course rating".

2017 State Qualifying Standards:

5A Boys – 3.1	3A Boys – 7.8
5A Girls – 13.5	3A Girls – 24.2
4A Boys – 3.7	2A Boys – 12.3
4A Girls – 14.6	2A Girls – 25.3

Note: Qualifying scores will be rounded down at .4 or lower, and rounded up at .5 or higher. Ex. If a 5A boy shoots a 73 at the district tournament where the course rating is 68.7, the formula requires a 71.8 and he would not qualify using the new standard. If he shoots a 72, he would qualify.

Honest Effort A golfer who starts, but does not finish, the district tournament, may be counted in determining the number of qualifying teams and individuals provided the manager determines that an honest effort was made and that the non-finish was due to circumstances beyond the golfer's control.

TEAM CHAMPIONSHIP (Boys & Girls)

Each school may enter five players, but the total strokes of four players will determine the team score. Final team scores will be a combined 36-hole score.

LINE-UPS

Coaches must declare their team lineup by Thursday, May 11. Fax or email lineup to the appropriate tournament manager (see contact info above) and also to the IHSAA (email: hammonsj@idhsaa.org or fax: 208-322-5505). No changes to the line-up will be allowed after the deadline.

PRACTICE ROUNDS

There will be no official practice rounds scheduled for any classification on any golf course. Participants may play the golf course on their own any time prior to the starting time of the state tournament.
