

Dear Tennis Coach:

The Idaho High School Activities Association will be seeding the 4A and 5A State Tournaments this year. In order to ensure accuracy and fairness, we need all coaches of state qualifiers to fill out and return an "Additional Seeding Information Form" for each of their State qualifiers. Forms can be found on the tennis page of the IHSAA website (www.idhsaa.org, click on "Sports" and choose "Tennis"). All forms should be completed and sent in to the IHSAA office no later than Monday, May 15, 8:00 am (MST).

If you have any questions, please contact Julie Hammons at the IHSAA office.
