Utah Wrestling Officials Association

Attention: Officials, and Coaches,

The UWOA will be holding their annual Field Clinic to discuss and train on the 2017-2018 NFHS rule changes. This year we have seen some exciting new changes. Specifically, the new out of bounds criteria that allows wrestlers to score near-fall, and falls beyond the out of bounds line, while supporting points are inbounds. This training will be extremely helpful in understanding the new rule, and for officials, where you'll need to be positioned to make the right call. Come join us for an afternoon of wrestling rules discussion where we can learn and improve together.

**FIELD CLINIC**

**When: Saturday, November 11<sup>th</sup> 2017**

**Where: Timpanogos High School**

**Time: 11:00 am (Meet and Greet with light lunch)**

UWOA board:

Bill Hales  
Scott Nagle  
Don Christensen
