Hardship Qualification for State Swimming

Possible “hardship” qualifiers qualifying for the state meet other than by district or regional competitions must meet the criteria in #1 and either #2 or #3:

1. Meet or surpass the state qualifying mark (3rd place time from 2017 State Meet) in their particular event(s) in a sanctioned meet (one with four or more schools), or with electronic timing during one of the seven regular season meets or at the district qualifying meet (prelims or finals).
2. Provide proof that they were physically unable to compete at their district/regional meet. Such proof must be a letter from a physician, chiropractor, nurse practitioner or any medical practitioner licensed by the state, stating the nature of the injury/illness that prevented the athlete from competing at the district/regional meet, and also stating the athlete is released to compete in the state meet. Such proof must be presented by the head coach or athletic director prior to the conclusion of the meet to the district manager and **be approved** by the tournament management of the respective district/regional meet so that the athlete’s name may be included on the list of “Special Qualifiers” sent to the IHSAA.
3. Compete in the particular qualified event at their district/regional meet and fail to qualify by place or mark because of an incident beyond the athlete’s control that the meet referee deems a hardship to the athlete in question. Example: An athlete in an obvious qualifying place that is fouled or interfered with and is unable to finish the event at all or not to finish in a qualifying place.
