REPORT AGENDA

Y.E.A. Update

Dick Curtis gave an update on the YEA foundation. The account portfolio is at 3.5 million. Reimbursements for this school year will total approximately \$120,000. Jamboree income is at an all-time high, which is most likely due to more baseball and softball jamborees. The YEA board meeting was moved to May. They are dealing with legal and by-law / articles of incorporation issues. Revisiting the investment policy is also a subject they will be addressing. Five schools - AF, Century, Hagerman, Troy, Wendell – are close to being fully vested. There are 57 fully vested schools. AD's may check jamboree credits on the YEA website.

2015 Girls Real Dairy Shoot-out

Ty Jones reported on the girls' state basketball tournament held in February. The 5A site showed an increase of \$6,000 over the previous year, largely due to local teams qualifying for the tournament and competing in the championship games.

2015 State Wrestling Tournament

Ty Jones reported on the State Wrestling Tournament held in Pocatello at Holt Arena. Travis Bell did an outstanding job as the new manager of that event in Pocatello.

2015 Boys Real Dairy Shoot-out

Ty Jones reported on the boys' state basketball tournament held in March. Revenue was down at the Ford Idaho Center, which is likely due to few local teams playing in the championship games.

Web Casting IHSAA Winter State Tournaments

Ty Jones reported on the webcasting of the winter tournaments by Idahosports.com. Information contained the number of games /days webcasted for each tournament and the number of viewers. Also included were the viewer numbers from the past five years.

2015 State Debate

Julie Hammons reported on the State Debate tournament held at Madison High School. Jeff Stoppenhagen acted as the IHSAA rep at that tournament. Expenses were up due to increasing the pay to tab-room people to \$75. The Debate coaches are reviewing the scoring for sweepstakes, not giving points until the break rounds.

2015 State Dance and Cheer Championships

Julie Hammons reported on the State Dance and Cheer Championships held at the Ford Idaho Center. The format was changed this year. Gate was up due to the tournament being held on Friday-Saturday, rather than Thursday-Friday. Seventy-five percent of the coaches and administrators like the new format. Approximately 95 schools competed with 1700 participants.

Schools of Excellence

Julie Hammons reported on the mid-year standings of the Schools of Excellence program. This information is available on the website, idhsaa.org. AD's should review their totals and report any discrepancies. GPA reporting for spring sports and non athletic activities should be turned in by May 5. The self-evaluation portion of the program will be sent out within the next few weeks. This constitutes one-third of the points.

IHSAA Awards

Julie Hammons reported on the following award programs: Interscholastic Star, recipients of the winter Sportsmanship Awards and the winners of the winter Academic Champions.

IAAA Conference

Tol Gropp reported on the IAAA conference held at the Riverside. Bruce Whitehead from the NIAAA attended the Section 8 meeting during that conference. Joleen Toone and Dean Satterfield were inducted into the Hall of Fame. 127 people attended – a record high.

IHSAA Board Members – Expired Terms

Ty Jones reported on the following IHSAA board positions that have expired and those appointed to fill them. District II – Jeff Cirka from Potlatch HS; District IV – Ron Anthony, Buhl SD; Superintendent – Open; Boys Athletic Coaches – Tim Perrigot (Re-Elect); Speech Arts Teachers – Tracy Fuller (Re-Elect).

Committee Reports

Ty Jones reported that the Representation and State Tournament committees met during the IHSAA board work session. Recommendations will be noted when the appropriate items are discussed. Since both the 2015 volleyball and cross country tournaments will be held in Districts I/II, hotel rooms will be an issue. Farragut State Park will be the site of State Cross Country.

Loomis and Lapann Insurance

Ty Jones reported that the IHSAA will likely see an increase in catastrophic insurance premiums.

Section 8 NFHS Spirit of Sport Award

Gary Brogan reported that the 2014 IHSAA Spirit of Sport recipient, Hunter Gopp of Fruitland High School, will be the recipient of the NFHS Section 8 Spirit of Sport Award. He will be recognized by the NFHS in a future *High School Today* publication. Nominations for the 2015 IHSAA Spirit of Sport award are needed at this time.

2014 Fall Sport Concussion Totals

Ty Jones reported on the fall concussion survey. There were 151 member schools reporting. Schools need to enter their winter survey numbers now.

USA Football Conference

Mike Federico of Twin Falls High School, Brody Birch of Teton High School, and Vince Mann of Borah High School attended the USA Football Heads-Up Conference. Participation numbers in football are decreasing nationwide. Making the game safer is a major focus. Certifying coaches allows for consistent techniques at all levels – youth through NFL.

Rules and Regulations Manual

Ty Jones reported that Rule 12, Participation in Special Events, and Rule 17-3-2, Rule of Two, were reviewed by the IHSAA board during the work session.

ACTION AGENDA

Cross Country Hardships

Modifying the existing hardship wording for a two-team district in cross country was approved as a Final Reading. The modification reads as follows:

Qualifying as a Team: The number of teams that qualify to the state meet shall be determined by the following procedure:

- 1 Teams that finish in the top one-half, or major portion thereof, of the full teams that complete the district meet shall qualify for the state meet. If a tie exists in the final qualifying position, both teams shall advance.
2. If a school is unable to participate as a full team in the district meet due to circumstances beyond their control (e.g. 5th runner is injured, bus breaks down, etc.), that school can be included in the count that determines the number of qualifying teams provided they competed as a full team (at least five members) in six meets during the regular season.
3. **If only two full teams compete at the district meet, the second place team may be eligible for an at-large berth to the state meet by the following procedure:**
 - a. **The *second place school* submits an at-large qualifying request *with the district tournament manager's approval* to the IHSAA by 8:00 a.m. Sunday prior to the state meet.**

A panel, composed of representatives from each district, will determine which, if any, teams should qualify by evaluating: 1) head to head competition with teams from their district and surrounding districts; 2) time average for the team's top five runners from their final five meets of the regular season.

- b. Any practice session that is less than two hours in length must have at least two continuous hours of recovery time between the end of the first practice and the start of the next practice that day.
- c. Each practice session will be a maximum of **2.5** hours in length, which starts as soon as the player is on the field. This includes all breaks, walkthroughs, conditioning, etc. Any practice that is more than two hours in length must have at least **2.5** continuous hours of recovery time between the end of the first practice and the start of the next practice that day.
- d. *There will be no more than 90 minutes of contact during practice per week. For the purposes of this rule, “contact” will be defined as drills run at the Thud and Live Action level. Drills run at the Air, Bags, and Control levels would not be considered contact. Definition of levels of contact include:*
 1. ***Air:** Players run a drill unopposed without contact.*
 2. ***Bags:** Drill is run at assigned speed until the moment of contact; one player is predetermined the “winner” by the coach. Contact remains above the waist and players stay on their feet.*
 4. ***Thud:** Drill is run at assigned speed through the moment of contact; no predetermined “winner”. Contact remains above the waist, players stay on their feet, and a quick whistle ends the drill.*
 5. ***Live Action:** Drill is run in game-like conditions and is the only time that players are taken to the ground.*
- e. During the recovery time, student athletes may not engage in other physical activities (e.g., weight training, conditioning or 7 on 7).
