#### **IHSAA PSA Announcement** — 30 seconds - Sportsmanship

Tonight's game is not only a competitive contest between these two schools, but it's also an educational experience for the students involved. Because high school activities are about learning life values, your friends at \_\_\_\_\_ (school), the statewide Student Advisory Council and the Idaho High School Activities Association remind everyone to do their part in keeping our hometown sports a positive experience for everyone. When you attend your next game, do your part to help rekindle the spirit of citizenship by showing good sportsmanship. You'll be teaching a positive lesson and you'll be preserving a proud tradition in the state of Idaho.

#### **IHSAA PSA Announcement** — 30 seconds - Officials

Whether its balls and strikes, fouls or flags, your referees and game officials are a vital part of high school athletics. If you've ever tried your hand at officiating, you know how hard these men and women work, and you certainly know that they would never miss a call intentionally. Keep these things in mind as you attend sporting events. After all, respecting officials and authority figures is one of the most valuable lessons that we can teach our students. This message has been brought to you by the statewide Student Advisory Council, your friends at \_\_\_\_\_ (school) and the Idaho High School Activities Association.

#### **IHSAA PSA Announcement** — 30 seconds - Sportsmanship

Fans, when you attend a high school game, do you cheer a good play by the opposing team? If your team loses, do you take it well in stride? If you answered 'yes' to any of those questions, you are showing positive examples of sportsmanship. Don't forget that when you attend high school events, young eyes are watching you for examples of acceptable behavior. By making a conscious effort, you'll be helping our students grow into better citizens. This message was brought to you by the students on the statewide Student Advisory Council, your friends at the Idaho High School Activities Association and \_\_\_\_\_ (school).
