2021 "LEGENDS OF THE GAME"

The Idaho High School Activities Association is pleased to announce the 2021 "Legends of the Game" recipients. The award was established in 2001 to help preserve the heritage of Idaho high school sports by honoring great teams of the past. Eligible basketball "Legends" include girls' teams from at least 20 years ago and boys' teams from at least 30 years ago. Ceremonies honoring "Legends" recipients will take place during halftime of the state 5A basketball championship games at the Ford Idaho Center. The girls' ceremonies are slated for February 20 and the boys' ceremonies will take place on March 6.

Girls' Basketball

Madison High School 1990

The IHSAA is pleased to honor the 2021 girls' basketball "Legends of the Game", the 1990 Madison Bobcats. This team won back-to-back-to-back State Championships, claiming the title in 1988, 1989 and 1990. Led by a tight-knit group of upperclassmen the '90 Bobcats were a force to be reckoned with and dominated almost every team they faced.

Led by legendary Hall of Fame coach, Garry Parkinson, the Madison Bobcats set a new bar for excellence at MHS and inspired future generations of state champions. Congratulations to these great "Legends of the Game"!

Boys' Basketball

Meridian High School 1983

The IHSAA is pleased to honor the 2021 boys' basketball "Legends of the Game", the 1983 Meridian Warriors. Characterized by continual overflow crowds at all their games, the '83 Warriors were ranked number one from the first December polls until the State Championship game. Arguably the best team to come out of powerhouse Meridian High School, they won more games than any previous team (24), and dominated with a balanced attack of unselfish offense and stifling defense.

The '83 Meridian Warriors were coached by Don Haynes. Congratulations to these great "Legends of the Game"!
