Game Limitations for Each Team

Teams are limited to 18 games - strongly recommended - and not to exceed 20 games (21 if playing a 3 game tournament). If a school loses a scheduled tournament game or a school is unable to attend a tournament due to reasons beyond their control, the school can reschedule lost games.

Game Limitations for Individuals

During the regular season, 6A, 5A, 4A and 3A athletes are permitted to play in no more than 80 quarters of basketball, or 84 if a 21 game schedule occurs because of a tournament; 2A and 1A athletes may play in 100 quarters of basketball. In addition, 6A, 5A and 4A athletes are permitted no more than four (4) quarters per day when playing one game. 3A, 2A and 1A athletes may play five (5) quarters per day when playing a one game schedule. All athletes are permitted to play eight (8) quarters per day when playing two games in one day against different schools.

Any 3A, 4A, 5A or 6A basketball program may request a waiver of the 4/80 quarter limitation, increasing the number of quarters their sub-varsity players are allowed to play to 5 per night and 100 per season upon a petition, signed by the school principal and athletic director, that verifies:

1. There are 14 or fewer participants in the program and the program desire to field two teams; or
2. There are 21 or fewer participants in the program and the program desires to field three teams; and
3. The lack of participants will cause the loss of a sub-varsity program; and
4. The lack of participants will cause the school to cancel scheduled games at the sub-varsity level; and
5. A reasonable number will be designated as varsity players (in any event, not less than 7), these players to remain subject to the 4 quarters per night and 84 quarters per season limitation; and
6. The school's coaching staff has not cut, nor will cut players, nor discouraged players from participating in basketball, regardless of ability.
7. If 1-6 occur anytime during the regular season due to illness or injury, a school may request a waiver during the regular season.

Individuals may compete in a junior varsity and varsity contest on the same day. Fouling out of a contest has no bearing on eligibility to participate in the second contest.

Individuals may play in a post season tournament (Sophomore, J.V., etc.) and then be eligible to participate in the varsity district tournament.

Players who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored basketball competition.

Number of Participants/ Coaches/Support Personnel

Varsity teams may have fifteen students in uniform at all play-in and state tournament contests at the start of the contest. Violation of this rule will result in the school being assessed a maximum fine for dressing more than the approved number of players at a state play-in or tournament game with forfeiture of the game if excess numbers play. All classifications will be allowed four coaches and three support personnel to be admitted without an IHSAA card or tournament pass. Any coaches or support personnel exceeding that number must have either an IHSAA card or purchase a tournament pass.

Rules

All contests will be played under National Federation rules. Rule books and case books will be provided to school representatives at the district rules clinic.

Rule 5-10

Students who participate in varsity level district contests may not compete in sub-varsity contests following the starting date of the varsity district tournament.

Mercy Rule

At any time during the fourth quarter when the point differential is 30 points or greater, the mercy rule shall be invoked. Once in effect, the clock shall not be stopped except for called time outs. Officials will notify the timekeeper that the rule is in effect. Once the rule is in effect, it will not be revoked. The mercy rule may be used at the discretion of each district tournament. The mercy rule will not be in effect during the state play-in, or state tournament games.

Official Ball

The Official Basketball for all play-ins and state tournaments will be the Spalding Precision TF 1000.

Practice at State Tournament Site

No team will be allowed to practice at a state tournament site.

2024-25 BASKETBALL RULES CHANGES

1-19: Limits the use of electronic devices used during a game for the purposes of recording and tracking stats, reviewing or diagramming plays, or other similar contest related functions.

Rationale: Clarifies the type of electronic devices that are allowed during the game, prohibiting the use of voice and video recording devices worn during a contest.

2-11-11: Requires the non-official scorer(s) to compare records with the official scorer when multiple scorers are present.

Rationale: Allows the official scorer to remain focused on game activity and places the responsibility of comparing scoring and other bookkeeping information on the auxiliary scorer(s).

3-3-6: Requires a player who has been injured to be removed from the game if the coach is beckoned by the official, whether the coach enters the playing area or not, or if bench personnel (i.e., a coach or athletic trainer) enters the court without being beckoned. The coach may still use a time-out to continue assessment of the injury and keep the injured player in the game.

Rationale: Creates consistency for officials that an injured player is subject to removal from the game when an injury occurs, and the coach/team personnel are beckoned or if they enter the court without an official beckoning.

3-3-7: Allows 20 seconds for a player to address any minor blood on the body or uniform without leaving the game. If the blood cannot be appropriately covered/cleaned within 20 seconds, the head coach may take a time-out to address the issue or substitute for the player.

Rationale: Provides a short interval of time to handle a blood related issue without delaying the game, while still addressing the health-related concerns associated with blood on a player.

3-4-4a (NEW): Allows the use of a school logo/mascot image to be centered directly above the uniform number in place of an identifying name.

Rationale: Removes the restriction of allowing only lettering on the front of the jersey.

4-6-1 EXCEPTION (NEW): Creates an exception to basket interference by allowing a player(s) to touch only the net while the ball is on or within the basket provided that the contact did not affect the ball.

Rationale: Allows play to continue unless the contact of the net affects the try for goal.

4-47-5 (NEW), 10-2-1g (NEW), 10-4-5b: Changes the penalty for failing to immediately pass the ball to the nearer official when a whistle sounds from a player technical to a warning for delay for the first violation and a team technical for any subsequent offense.

Rationale: Allows officials to issue a warning before assessing a technical and the technical will now be assessed to the team and not the player, lessening the severity of the penalty while addressing the behavior.

4-49 (NEW), 10-2-1g (NEW), 10-4-6f: Changes the penalty for faking being fouled from a player technical to a warning for the first violation and a team technical for any subsequent offense and adds a definition and examples.

Rationale: Allows officials to issue a warning before assessing a technical and the technical will now be assessed to the team and not the player, lessening the severity of the penalty while addressing the behavior.

7-1-1: Establishes that a player is out of bounds if contact by a teammate or other bench personnel outside the boundary line provides an advantage, allowing the player to remain in bounds.

Rationale: Establishes that a player cannot be assisted from outside the boundary line by teammates or bench personnel to remain in-bounds.

9-10-1a NOTE (NEW), 4-10: Allows state associations to adopt a modification to the closely guarded rule if they have adopted the 35-second shot clock, allowing players to dribble the ball for more than five seconds while closely guarded and maintain that a player may not hold the ball for five or more seconds.

Rationale: Permits states utilizing the 35-second shot clock to allow players to dribble without enforcing the closely guarded rule since they have a 35-second time limit to attempt a try for goal, maintaining an appropriate pace of play.

10-1-1 PENALTY, 10-1-2 PENALTY, 10-2-7 PENALTY (NEW), 10-5-1 PENALTY(NEW): Establishes that all administrative, team and bench technical fouls that occur during pregame offset – no free throws are awarded – and the game will start with a jump ball and the head coach does not lose the privilege of the coaching box.

Rationale: Clarifies that an equal number of technical fouls committed by both teams during pregame offset and establishes how the game will start after offsetting technical fouls.

10-2-7 (NEW), 10-5-1i: Changes the penalty for dunking or attempting to dunk or stuff a dead ball from a bench technical to a team technical.

Rationale: Continues to penalize the offending team with a team technical foul (free-throws, offended team the ball to start the period, a foul added to the team count), but no longer requires the coach to lose the coaching box to start the game and no personal foul is awarded.

4-3-2 A second violation will result in being suspended for the next two (2) regularly scheduled contests. The third ejection will result in suspension for the remainder of that season. If penalties are imposed at the end of the sport season and no contest remains, the penalty is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next IHSAA sponsored sport.

4-3-3 The procedure for suspension and notification is:

- a. The officiating crew must approve any additional suspension by a majority vote at the conclusion of the contest.

The President of the District Board of Control (of the region in which the contest took place) may appoint a hearing committee to hear any appeals within 48 hours of the receipt of a complete report of the incident. It is the responsibility of the secretary of the District Board of Control in which the hearing took place, to notify the district Board of Control secretary in which the student athlete or coach resides. Appeals may not deal with decisions made by contest officials.

4-3-5 When an individual is suspended for the next contest, the interpretation of "contest" is as follows:

Tennis: next match	Golf: next match
Soccer: next match	Swimming: next meet

4-3-6 Any ejection that is the result of physical contact or excessive verbal abuse by a player/coach on a game official will be referred to the local District Board of Control for review to determine if any additional reprimand or suspension is warranted.

4-3-7 If a coach is ejected from an IHSAA contest, the designated school administrator must appoint an appropriately qualified adult to supervise the remainder of the contest or forfeit the contest.
