BASKETBALL CONTINGENCY PLANNING COMMITTEE RECOMMENDATIONS

The NFHS has determined that Basketball is a moderate risk. Sports that involve close, sustained contact, but with protective equipment in place may reduce the likelihood of respiratory particle transmission between participants OR intermittent close contact OR group sports OR sports that use equipment that can't be cleaned between participants.

Considering all recommendations by the General IHSAA guidelines and the NFHS and IHSAA SMAC guidelines, the following are the specific guidelines for Basketball:

- The season will start on November 2nd for the girls and November 13th for the boys. Any changes to the calendar will be made on a week to week basis.
- The decision to cancel a game must be related to and backed by the COVID-19 guidelines. The decision to cancel must be made by the district superintendent.
- If the cancellation of a game is due to COVID-19 concerns, it would not be considered a forfeit and there would be no fines issued.
- Fans will be limited as needed based on school district plans and the Governor's Stage 3 Protocols.
- Conferences and schools should develop representation protocols in case the tournament bracket changes. If no protocols are made, the IHSAA will develop it using MaxPreps.
- Regional tournaments if needed.
- Have contingency plans for the playoffs in place prior to the beginning of the season.

Points of Emphasis: Physical distancing must be followed and hygiene basics adhered to in all situations.

2020-21 Basketball Rules Considerations

In support of the Guidance for Opening Up High School Athletics and Activities, the NFHS Basketball Rules Committee offers this document as guidance on how state associations can consider modifications to the NFHS Basketball Rules Book. The modifications outlined in this document are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment.

Return to Competition

1. Basketball Rules Considerations

- ***Pregame Protocol (2019-2020 NFHS Officials Manual, page 16, 1.8; NFHS Basketball Rule Book – 3-4-5)***
 - Limit attendees to the referee and the head coach from each team with each coach standing on the center circle on each side of the division line.
 - All individuals maintain a social distance of 6 feet or greater at the center circle.
 - Suspend handshakes prior to and following the Pregame Conference.
- ***Team Benches (1-13-1)***
 - ***Social distancing should be practiced when possible. Below are some suggestions.***
 - Limit the number of bench personnel to observe social distancing of 6 feet or greater.
 - Place team benches opposite the spectator seating.
 - Additional chairs or rows may be added to allow bench personnel to observe social distancing of 6 feet or greater.

- Create separation between the team bench and spectator seating behind the bench.
 - Limit contact between players when substituting.
 - Personnel not in the game should adhere to any required local/state face covering requirements.
- **Officials Table (2-1-3)**
 - The host should sanitize the table before the game and at half time.
 - Place officials table sufficiently away from the sideline to allow for additional space for substitutes.
 - Limit seats at the table to essential personnel which includes home team scorer and timer with a recommend distance of 6 feet or greater between individuals. Other personnel (visiting scorer, statisticians, media, etc.) may not be deemed essential personnel and consider an alternate location for them.
 - Table personnel should adhere to any required local/state face covering requirements.
- 2. **Pre and Post Game Ceremony**
 - a. Suspend the pregame introduction handshakes.
 - b. Suspend post game protocol of shaking hands.
- 3. **Basketball Rules Interpretations**
 - **Rule 4-1 EQUIPMENT AND ACCESSORIES**
