Letters

Bowe Pearson – Kuna Student

Chad Williams moved, Curt-Randall Bayer seconded to approve the agenda.

CONSENT AGENDA

Randy Lords moved, Jamie Holyoak seconded to approve the minutes from the December 10, 2019 Board of Directors Meeting. Ty Jones reported on the financials. There was not a lot of changes from last month and our revenue is pretty close to what we expected. State football numbers have been finalized and we ended up with a profit of about \$28,000. Expenses are up slightly but are close to what was anticipated. Over all, the finances are in good shape. Ron Anthony moved, Curt-Randall Bayer seconded to approve the December 1, 2019-December 31, 2019 financial report and the IHSAA Board of Directors action via phone, email, fax.

REPORT AGENDA

YEA Update

Julie Hammons reported on the YEA. The stock market has been fluctuating quite a bit which has increased the portfolio about \$90,000. Winter jamborees are getting wrapped up and spring jamborees are being scheduled.

Dairy West Update

Ty Jones reported a meeting is set for next week with Dairy West to go over the Letter of Agreement.

NIAAA Conference

Mike Federico reported this year the NIAAA Conference was held in National Harbor, MD. Overall it was a great conference and the leadership from Idaho, on a national level, was fantastic. Idaho was very well represented.

NFHS Winter Meeting

Ty Jones reported the NFHS winter meeting was held in Austin, TX this year. The major topic of discussion was about Dragonfly which is an Arbiter-type company the federation has signed on with. This could potentially be a great tool for our schools with the many capabilities they can provide, plus it would be free. The IHSAA has a meeting next week with Dragonfly representatives to learn more and will be sending this information out.

Contract Renewals

Ty Jones reported the ball contract with Spaulding is leaning more towards the precision ball since the classic ball is going to be discontinued. Mike Federico stated the audio contract with Idahosports is currently in negotiations.

Committee Reports

- State Tournament Committee: The 2022-2023 State Volleyball tournament sites were reviewed and will be held in District VI at the following sites: 5A Skyline; 4A Thunder Ridge; 3A Hillcrest; 2A Bonneville; 1ADI & 1ADII Madison. The 2020 state spring sites were reviewed. State tournament admission fees were discussed along with proposals for State Track representation and changing the State Speech Arts site rotation for State Speech. There will be a survey sent out to administrators about girls wrestling.
- Representation Committee: Representation will be discussed in the Action Agenda.
- Hall of Fame Committee: Julie Hammons reported there were 14 nominees for the 2020 Hall of Fame. The finalists will be submitted to the state selection committee and the Inductees for the Class of 2020 will be announced at the April Board Meeting.

Policy Manual

Ty Jones reviewed the policy manual which covered the following rules:

17-2-3 RULE OF TWO

- a. No more than two students may be coached at one time by a member of their high school (grades 9-12) staff of that sport during the school year.
- b. Sport-specific or athletic classes (does not include cheer, dance or speech arts) offered during the regular school day must meet the following criteria:
 1. Must be open to all students.
 2. Must be a class for credit.
 3. If the coach is teaching the class, he/she must be the teacher of record for that class.

8-16 NON-TRADITIONAL STUDENT

8-16-1 To be in compliance with the section of Idaho Code 33-203 that provides for dual enrollment, the following interpretation will be used:

Students who are enrolled in a nonpublic school shall be allowed to enroll in a public school for dual enrollment purposes. To be eligible for athletics or specific activities in the public school, the dual enrolled student must meet the following criteria:

- a. The student must reside with a parent or guardian in the attendance area of the public school for which the student will participate.
- b. The student must comply with the same rules and requirements that apply to any student's participation in the same activity with the exception of Rule 8-1 -Academic and Full Time Enrollment.
- c. In order for any nonpublic school student or public charter school student to participate in nonacademic public school activities for which public school students must demonstrate academic proficiency or eligibility, the nonpublic school or public charter school student shall demonstrate composite grade-level academic proficiency on any state board of education recognized achievement test, portfolio, or other mechanism as provided for in state board of education rules. Additionally, a student shall be eligible if he achieves a minimum composite, core or survey test score within the average or higher than average range as established by the test service utilized on any nationally-normed test. Demonstrated proficiency shall be used to determine eligibility for the current and next following school year. School districts shall provide to nonpublic students who wish to take state tests or other standardized tests given to all regularly enrolled public school students. **Definition of Portfolio:** A collection of materials that documents and demonstrates a student's academic and work-based learning. Although there is no standard format for a portfolio, it typically includes many forms of information that exhibit the student's knowledge, skills, and interests. By building a portfolio, students can recognize their own growth and learn to take increased responsibility for their education. Teachers, mentors, and employers can use portfolios for assessment purposes and to record educational outcomes. An example of a portfolio evaluation instrument, is on the IHSAA website, idhsaa.org
- d. It shall be the responsibility of the student to make all arrangements to take the required test and provide the principal of the school with the results of the test prior to being granted athletic eligibility at the public high school.

8-16-2 Public Charter Schools that participate in approved IHSAA activities shall be allowed to enroll non- traditional students for dual enrollment. The following interpretation will be used:

- a. Public charter schools must establish an attendance zone in the public school district in which it resides. For activity purposes, the public charter school attendance zone cannot extend outside the school district in which it resides.
- b. If a school district has a public school and a public charter school, non-traditional students may dual enroll in either the public school or public charter school.

- c. If a school district has two public schools and one public charter school, the public charter school will establish its attendance zone in conjunction with the nearest public school with both schools having the same attendance zone. Example: Public School A and Public School B. If school A's attendance zone is used then non-traditional students who reside in that attendance zone may dual enroll in either public school A or the public charter school. If a non-traditional student resides in public school B's attendance zone, he/she could only attend public school B for dual enrollment.
- d. For establishing attendance zones and dual enrollment in school districts that have multiple public schools and multiple public charter schools, interpretation (c) under Rule 8-16-2 will be used.
- e. Rule 8-16-1 applies to all public charter schools for dual enrollment purposes.

8-16-3 A member school student who is academically ineligible and withdraws from school to gain athletic eligibility as a non-traditional will be ineligible for the duration of that school year and the following academic year.

8-16-4 Students who are enrolled in a private IHSAA member school are ineligible for dual enrollment in athletics at a public school in sports that are offered at the private IHSAA member school.

8-17 CHARTER SCHOOL STUDENTS

Students enrolled in and attending a charter school that is a regular member in good standing of the Idaho High School Activities Association may participate in IHSAA athletic programs, and are eligible under Rule 8 - Individual Eligibility. The charter school must have paid required membership dues and activity fees in those activities offered by the charter school.

A student attending a charter school, that is not a member of the IHSAA, may be eligible to compete in IHSAA activities under the regulations of a dual enrolled student. (See Rule 8-16 – Non- Traditional Student)

*A region cannot host two years in a row unless both schools are from that region.

The final decision in setting sites, dates and time for each state championship game will be made by IHSAA Representatives and will be finalized by 10:00 a.m. the Sunday prior to the state championship game.

Selection Criteria:

A. Factors determining the site of a state championship game are:

1. Idaho State University – There may be at least three games, and possibly four, scheduled at Holt Arena. Two games should be scheduled on Friday. The remaining game or games will be scheduled on Thursday or Saturday, with times to be determined by ISU's football schedule.
2. University of Idaho — There may be a maximum of three games per day scheduled at the Kibbie Dome. If possible, games should be scheduled for Friday afternoon and evening. Game times and dates will be determined by U of I's football schedule.
3. Boise State University — There may be two games per day played at Dona Larson/ Albertsons Stadium. Game times and dates will be determined by the Boise State football schedule.

B. Other factors determining the site of a state championship game are:

1. Travel - loss of instruction time for the two participating teams.
2. Geographical rotation based upon recent participation of the district from which the teams are participating.
3. A region may not host a state championship game two years in a row unless both teams are from the same region
4. If No. 2 and No. 3 are in conflict with each other, No. 3 will take precedence over No. 2.
5. Availability of lodging and meals for teams, support groups and spectators.
6. Availability of the site to set reasonable game times. No game may be scheduled to start after 9:00 p.m. The team traveling the farthest distance will get first choice of game time.
