#### **CONSENT AGENDA**

Curt-Randall Bayer moved, Jeff Cirka seconded to approve the Minutes from the April 8, 2020 Board of Directors Meeting. Ty Jones reported on the financials stating with the cancellation of spring sports, there was not a lot of change to the balance sheet. Revenue is lower than what was budgeted, however there is still around \$150,000 expected to come in. There was approximately \$30,000 in expenses we incurred for the spring season, however most of those items can be used next year. Overall, at the end of the year and with all things considered, we will end in the black. Randy Lords moved, Jeff Cirka seconded to approve the Financial Report as of March 31, 2020-May 31,2020.

## **REPORT AGENDA**

## **YEA Update**

Julie Hammons reported the YEA had their spring board meeting at the beginning of May via zoom. The YEA fund is on the way back up and is currently at \$4,093,000. Disbursements will be a little skewed this year since they are normally based on nine tournament events and this year, they will be based on only three; state drama, cross-country and wrestling. Disbursements will be going out in the summer or early fall. Brady Dickinson is a new YEA Board member for District IV and there are currently a couple of positions available; a position for District III and a community member for District V.

## **Dairy West Update**

Ty Jones reported we are setting up meetings for the upcoming year and moving forward as anticipated.

## **IHSAA Sports Medicine Advisory Committee Update**

Ty Jones reported some information and recommended guidelines were sent out from the Sports Medicine Committee as well as from the NFHS. Please keep in mind these are just recommendations and not rules being mandated by the IHSAA Board. A resource page for COVID-19 has been set up on the IHSAA website including several guidelines, a monitoring form as well as a risk waiver. The number one goal for everyone should be participation in the fall and every school/district should have a plan in place. The next meeting will be June 15<sup>th</sup>.

#### **2020 Spring State Events**

Ty Jones went over the expenses that were incurred for the spring state tournaments. Although there are some items that we will not be able to recoup, most of the items will be repurposed and used for next year.

## 2020 NFHS Legal Meeting

The meeting was cancelled – No report.

### **2020 Administrative Workshops**

Ty Jones reported the dates and locations for the Administrative Workshops have been set and are posted on the website. Once we receive confirmation from District IV, the information will be updated and sent out.

## 2020-2021 District Rules Clinics

Ty Jones reported most of the District Rules Clinics have been set and are posted on the IHSAA website. We are still waiting on a few dates and once we get that information, we will update our website and send out.

## Schools of Excellence-End of Year Standings

Julie Hammons thanked the administration for their time and commitment to this program. The 3A/2A/1A's are determined by percentages and not total number of points. There was decent participation in the Citizenship Component and this was the first time in thirteen years that fan ejections were included in the SOE deductions.

## NFHS Guidance Document/Fall Sport Return to Play Committees

Ty Jones stated the NFHS guidelines have been sent out to all the schools and contains a lot of good information. The IHSAA has put together a few Fall Sports Contingency Committees that are currently meeting and are in the process of coming up with some plans for the fall. Minutes from the meetings will continue to be sent out including any recommendations.

## 2020 August 5th Board Meeting, IHSAA Annual Meeting & Hall of Fame

Ty Jones reported as of now, the August Board Meeting will be held on Wednesday, August 5 at 8:00 a.m. at the IHSAA Office, followed by the IHSAA Annual Meeting at 1:30 p.m. at the Boise Centre. The IHSAA Hall of Fame Banquet has been postponed until a later date.

### NFHS Summer Meeting, Section 7/8 Meeting and IHSAA September Meeting

Ty Jones reported the NFHS Summer Meeting will be online this year from June 27 – July 2. It is going to be free and all board members are invited to attend. The Section 7/8 Meeting is also going to be online September 21 – 22. The IHSAA September Meeting will be held on September 29 at 8:00 a.m. in Rexburg, Idaho and more information will be sent out once it has been finalized.

#### Student Advisory Council

Mike Federico reported there are ten new members from across the state and thanked all the administrators for their help. Every year this program has continued to grow and this year we had over 40 applicants. Currently we are planning on a zoom meeting this summer and are hopeful we will be able to have a Spring Summit meeting.

## <u>Policy Manual Rule 7 – Cooperative Programs</u>

Ty Jones went over the two different cooperative programs; combined and collective. Combine cooperative program is basically team sports that cannot be done alone. The two enrollments of each school are combined and that number determines the classification. Collective cooperative program is for the individual type programs that combine for various reasons but then go back and participate for their home school for district and state. There are pros and cons for each but it is important for all parties to be made aware of the rules. (see page 12)

## **RULE 7 - COOPERATIVE PROGRAMS**

- 7-1 Cooperative programs allow teams or individuals an opportunity to compete in IHSAA sanctioned activities in which they would not otherwise be able to compete. All member schools of the IHSAA are eligible to participate in a cooperative program.
- 7-2 Cooperative sponsorship of any activity by two or more member schools are permitted in one of the following categories:
  - a. Combined Cooperative Program: Students from more than one school combine to compete as one team. The combined teams' classification is determined by combined enrollments of the member schools involved. This program applies to football, volleyball, soccer, basketball, softball, baseball, competitive cheer, and dance. Note: Failure of a school district to provide a coach or facility will not justify approval of a combined cooperative. For 5A schools, combined enrollment cannot exceed 150% of host school's student enrollment.
  - b. Collective Cooperative Program: Students from more than one school share resources, but must compete as representatives of their home school at district and state competition. School classification remains the same. This program applies to cross country, wrestling, swimming, golf, tennis, track, the individual track event of pole vault, drama, debate and speech.
- 7-3 Cooperative programs will be in effect for a minimum of two years.
- 7-4 If the combined enrollments of the schools involved in a combined cooperative program exceeds the minimum number of the next higher classification the combined cooperative team will compete at that higher classification in that activity.
- 7-5 Application process for cooperative programs:
  - a. Requests for cooperative programs shall be submitted to the IHSAA Board of Directors for fall activities by August 1; for winter activities by October 15; and for spring activities by January 15. The Board may, at its discretion, act on applications after these dates.
  - b. The local school boards of the participating member schools must submit an official application for the cooperative program to the IHSAA Board of Directors.
