# **CONSENT AGENDA**

Ty Jones reported on the financials stating the report is not yet complete since we are still waiting on some bills and sponsorship money to come in. The report should be finished up towards the end of June and will be sent out. Fortunately, we were able to obtain PPP loans which, in addition to some cuts that were made, really helped our bottom line. The revenue will be pretty close to what was budgeted once everything has been compiled. Activity cards were up along with revenue from a few of our activities. Ticket sales for track and softball had a huge increase. Expenses were down across the board including officials, personnel and activities. Overall, at the end of the year and with all things considered, we are very thankful we are slightly in the black. Chad Williams moved, Jeff Cirka seconded to approve the Consent Agenda which included the IHSAA Board of Directors Actions, Minutes from the April 7, 2021 Board of Directors Meeting and the Financial Report as of April 1, 2021-May 27, 2021.

# **REPORT AGENDA**

# YEA Update

Julie Hammons reported the market has been doing great and the YEA fund is currently at \$4.889 million. Spring jamborees were down overall however the number of jamborees for this fall has already increased. The YEA Board met in May and discussed allowing schools to exceed 100% investment level. They have put together a committee to explore what the impact would be in allowing this. If the market continues doing well it is anticipated that by June 30<sup>th</sup>, disbursements could be over \$170,000 for the first time.

# Dairy West Update

Ty Jones reported on Dairy West stating they continue to be a fantastic sponsor and are in the process of hiring a new VP of Communications.

# IHSAA Sports Medicine Advisory Committee Update

Ty Jones reported the IHSAA Sports Medicine Advisory Committee met via zoom and introduced Dr. Kaleb Redden who is the new physician on the board. There will be a few items for fall practices they would like to see continue.

# Officials Update

Ty Jones reported on the officials update stating this item has been added to the report agenda. The officials will be selecting a representative that will give an update on items that are happening around the state and any concerns.

# 2021 NFHS Legal Meeting

Ty Jones reported the NFHS Legal meeting was virtual this year. Two topics that were discussed included COVID-19 and transgender.

# Schools of Excellence - End of Year Standings

Julie Hammons reported the year end standings have been sent out and are posted on our website. There was good participation and we are very thankful for the administrator's dedication to this program. It is important to point out for the 1A/2A/3A's schools the formula is figured by a participation or success percentage and not a total number of points. If you have any questions contact Julie. Awards will be given out at the annual meeting on August 4<sup>th</sup> at the Boise Centre.

# 2021 Administrative Workshops

Ty Jones reported the date and locations for the Administrative Workshops have been set and are posted on the website. Once we receive confirmation from District I, the updated information will be sent out.

# 2021-2022 District Rules Clinics

Ty Jones reported we are still waiting on a few dates. Once we have confirmation, we will update our website and send out.

# 2021 Spring Sport Concussion Numbers

Ty Jones reported on the spring concussion numbers stating the numbers are down which is a good thing. Some schools didn't turn in numbers and those schools will be contacted.

# 2021 State Speech

Julie Hammons reported on State Speech stating it was virtual this year with no entry fees. Tabroom.com and NSDA Campus were the platforms used and they worked really well. Dana Facer stated although there were a few technical issues overall, the tournament went well and everyone was pleased.

# 2021 State Golf

Julie Hammons reported State Golf was held in District I this year and had great weather on day one. Day two was a little chilly. There were a few issues with 4A and 5A. It is important to know that State Golf does require a lot of helpers and it is imperative host schools/courses are committed. Next year state golf is going to be in the Treasure Valley and the 5A is going to be held at Red Hawk, hosted by Caldwell High School. We are still in need of a 3A site.

# 2021 State Softball

Julie Hammons reported on State Softball stating financially we did really well. Of course, it would not be spring sports without rain! The 5A tournament ended up having to be moved from Mt. View High School to Skyview High School. A huge thank you to Eric Bonds for stepping up and helping out with this. Despite the rainy weather we had a great event. Many thanks to all of our managers for doing a fantastic job.

# 2021 State Tennis

Mike Federico stated State Tennis was a bit of a challenge this year with the rain. We did not have any indoor facilities and our managers, many of them who were new, did a really great job. Good news for next year, we will have access to Boise State's indoor facility again along with the new indoor facility the Boise School District is building. This was the first year using Tennis reporting. It was used for seeding and worked great. Hopefully after some fine tuning it will be ready for next year's tournaments.

# 2021 State Track

Ty Jones reported on State Track stating financially we did great. The jumps had to be moved to Rocky Mt. High School this year which was not ideal but worked. A huge thank you to all of the facilities and managers on a job well done.

The Section 7/8 Meeting will be held at the Coeur d'Alene Resort from September 19-21. Information regarding the IHSAA September Board Meeting will be sent out once it has been confirmed.

# Student Advisory Council

The Student Advisory Council members for the 2021-22 year have been chosen and are listed on our website. Ideally, we like to have two representatives for each district except for District III, we have four. This year we did not have any applications from District I so an additional representative was added to District II. A summer retreat is being planned in July where everyone can come together and kick off the new year.

# STAR Award Selection

#### APPROVED JUNE 2021 BOARD MEETING

#### **RULE 17 - SEASONS**

#### 17-1 SPORT SEASONS

Seasons have been established for sports and specific activities sponsored by the IHSAA. A season will commence with the first allowed day of practice and will end with the completion of the state championship in that sport, or other date established by the Board of Directors.

- **17-1-1** The School Year The school year is considered to begin August 1 and conclude after the final IHSAA spring sport state championship. Coaching restrictions are in effect during the school year.
- 17-1-2 <u>Regular Season</u> Practices are held during the sport season and include items that are not allowed at any other time. The following are usually a part of regular season practice:
  - a) Publicized announcement of the start of practice
  - b) Restricted attendance according to school boundaries, age, sex, abilities, etc;
  - c) Required attendance
  - d) Intra squad scrimmages
  - e) Teaching team concepts as well as individual techniques and skills through the use of drill, "chalk talks", film sessions etc;
  - f) The use of school uniforms and/or protective equipment
- **17-1-3** <u>Summer Programs</u> Summer programs must be voluntary and must be terminated by the last day of July. The IHSAA supports member schools' involvement in voluntary summer programs. However, the IHSAA believes that students need time off during the summer and strongly recommends that member schools schedule at least ten days of non-student contact during the summer each year.
  - a) Coaching restrictions are suspended during the summer (the day after the Spring State Tournaments through July 31<sup>st</sup>). A high school coach can coach his/her players anytime, anywhere, during this period. During this period a team can scrimmage against another team without violating the out-of-season contest requirements (renting facility etc.). Practice, competition and facility use during the summer, is not covered by IHSAA insurance (liability, catastrophic, concussion etc.).
  - b) A high school coach who coaches a team during the summer that advances to a regional or national qualifying event can continue to coach after July 31st until the completion of the tournament/s. IHSAA must approve a written request prior to participation during August.
  - c) Students will only be allowed to attend team camps during the summer, not during the school year.
  - d) Member schools are prohibited from hosting athletic camps involving students from IHSAA member schools during the month of August. Coaches from member schools are prohibited from working in or hosting athletic camps involving students from IHSAA member schools during the month of August.
- 17-14 <u>Protective Equipment</u> During the summer, no school-owned uniforms and/or protective equipment may be used without written permission from the IHSAA. With that permission, schools may use their own protective equipment in a camp or clinic for a period of seven days within a ten-day period upon written request from the trustees of the school. Included in the request shall be a statement of recognition that IHSAA sponsored catastrophic insurance provides no coverage for the activity and any and all liabilities rest solely with the school, camp, or clinic. Individual students from a specific school are not required to use the school's protective equipment in the same camp as other team members. Each individual student will only be allowed to use an IHSAA member school's protective equipment by renting or loaning for a period of seven days within a ten-day period.
