Tonya Wilkes, PCSD	John Hartz, Ridgevue HS	Troy Rice, Rocky Mt HS	Jennifer Murdock, Declo HS	Tyler Johnson, Bonneville HS
Dennis Chesnut, HSBSD	Shalene French, Caldwell SD	Catey Walton, Timberlake HS	Gavin Watson, Centennial HS	
Travis Hobson, Thunder Ridge HS				

CONSENT AGENDA

A motion was made to approve the Consent Agenda which included Minutes from the January 17, 2024 Board of Directors Meeting, financial report as of January 1 – March 29, Board of Directors actions via phone/email.

Motion Carried

Financial Report as of January 1, 2024 – March 29, 2024

Ty Jones reported on the financials, stating we had great winter tournaments with revenue being up. We are still waiting on hotel fees to come in, but keeping that in mind as well as increasing expenses we should still have revenue coming in. Cost have gone up for state officials, tournament sites, and tournament workers. Ty stated we are not sure what our spring expenses will be but basing it off of years past we should be in the black for this year. There will be added expenses next year getting Chad Williams set up with everything he will be needing and travel expenses will be more so be prepared for that.

Motion Carried

REPORT AGENDA

YEA Update

Julie Hammons reported updates for YEA. The YEA fund balance has reached over \$5,000,000 for the second time since beginning the program. If schools are needing any help with advertising at jamborees or parent nights, there are resources for our schools. Please reach out. There were over 80 jamborees this year, over \$81,000 raised through outside donations. There will be two new board members joining so we look forward to working with them. YEA will be meeting at the end of this month for their regular spring meeting.

Dairy West Update

Ty Jones reported on meeting with Dairy West and our future contract along with what changes they would like to see finishing up our 40th year. We look forward to working with them for our 41st year and continued years.

Officials Update

Ty spoke with the officials committee and they have three recommendations that came up during their meeting that he let them know we would go over.

1. Removal of yellow card wording in Rule 4-3.
2. How will State Representation work for Baseball in 2025?
3. Leaving the salary schedule up to independent state fees.

Marketing update

Zach Hoffman spoke on how the winter tournaments were a great success and thank you to all the directors and state tournament managers. Vince Mann thank you for all your work on getting a media room set up for our student athletes to enhance their experience at the state tournament. Thank you to our Dairy Farmers that came to help handout medals, it is always great to have them there in person. Morgan Potter is taking on more of the social media side of things and we would love to get some more submissions for Play of the Week. Zach and Morgan are still in negotiation with other contracts for renewal but they will have that information for the June board meeting.

2024 State Cheer and Dance

Julie Hammons spoke on Cheer and Dance. Having it the same weekend as Wrestling was new this year but it went well with few complaints. We do realize this puts extra work on some of our athletic directors having both tournaments on the same weekend and we will continue to look at ways to make it as seamless as possible. From 2018 to 2024 we have almost doubled our revenue and have done so without raising tickets prices. There were some very talented teams and a huge thank you to Lisa Hahle, without her that weekend wouldn't have been possible.

2024 Girls Real Dairy Shootout

Ty Jones spoke on Girls State Basketball and all the work our manager put into every tournament site and we are so grateful for all they do. There were no issues and lots of positive feedback we received. The 1A, 2A and 3A site income were down a little this year and part of that is due to what teams are playing and where they are having to travel from. At the end of the day with Play-In games included we still made a profit. Thank you again to all our tournament managers and our athletes for a great tournament. (See Pages 19-25)

2024 State Wrestling Tournament

Ty Jones spoke on the new Holt Arena and how fantastic the experience was. Travis Bell did a great job managing the tournament and thank you for all his help. The tournament went well for the most part, gate passes were up, on site expenses were down. The main reason for the difference in cost from last year to this year is being at Holt vs Idaho Ford Center. Holts expenses are drastically less and at the end of the day on site expenses and officials cost were down from last year and the income was up from last year. Overall, it was a great tournament.

2024 Boys Real Dairy Shootout

Ty Jones spoke on Boys State Basketball with the help of the managers and their workers doing a fantastic job. This is the last year the tournament will be held at Rocky Mountain High School, most of our site's attendance was up this year with our net profit being up. Tim Perrigot recommended that we either make all teams enter their schedules in the program or get rid of them all together. The Board of Directors agreed and Ty Jones recommended taking it out or coming up with a different option so it looks unified.

2024 State Debate

Julie Hammons spoke on how great it was having State Debate at Middleton High School this year and thanked them for the facility. The coaches are responsible for running the tournament, including judging the rounds and they all did a great job. We do not charge for State Debate with the exception of fines that schools get for not providing the proper number of judges. We did switch from giving out ribbons to giving out medals so that expense was slightly higher this year. Overall, very smart kids to work with and they did a phenomenal job.

Heath Jackson wanted to say thank you to all our State Tournament Managers on all their help and hard work. We appreciate you all very much and wouldn't be possible without you.

Schools of Excellence - Mid Year Standing

Julie Hammons reported on the mid-year standings for Schools of Excellence. There is still time for schools to submit their non athletic team GPA's in for points. This will include up to two music programs as well as speech, debate and drama. We highly recommend that schools complete the Citizen Component of Schools of Excellence. Thank you for all your support.

Winter Concussion Numbers

Ty Jones spoke on our concussion numbers and we are still missing 7-8 schools that will be receiving fines for not getting that information into the office. Girls concussion numbers are higher for Like Sports and some of that is attributed to boys simply refusing to report as much as girls may.

Summer Program Dates

Ty Jones spoke on the request to go over Summer Program Dates and when schools start their dead week. The end of spring State Championships summer begins and goes through August 1st. The dead period is 7 consecutive days prior to the fall start date. Tim Perrigot talked about August 1st always being the date and having the week prior be the dead period. Stacy Wilson recommended starting the school year on the same date as the start of dead week (7 days prior to the first fall practice.) Action item should also include team camps to wording.

NEHS Network/Go Fan Fall Review

Ty Jones spoke on the meeting with Go Fan and the numbers of tickets that were sold. They talked about the

number of member schools that are using Go Fan for regular season games is increasing from last year. The number of online tickets bought at the state events from last year to this year took a good jump. Mike Federico spoke on 100% of the GoFan distribution to the IHSAA from the regular season is re-distributed to our member schools who have signed on with GoFan.

IHSAA Tournament Expansions Survey

Ty Jones spoke on the survey for a tournament expansion that was sent out to the six regions, overwhelmingly they were in favor for an expansion. Based on the survey Ty recommended we form a committee to start the process of what that could potentially look like. Ty will be reaching out to those individuals across the state to start the process with approval from the Board of Directors.

IHSAA Awards

Mike Federico spoke on the Interscholastic Star Student award that is posted on the IHSAA website and highly encouraged everyone get submissions in. Mike spoke about Nayeli Juarez coming to speak to the Board of Directors about representing Idaho and Section 8 as a member of the National Student Leadership Council. Julie Hammons spoke on the winners of the Winter Sportsmanship and Academic award that are posted on the IHSAA website, congratulations to those winners. Julie spoke about the nomination due dates for Spirit of Sport award and Official of the Year so please get those in. Reminder that Official of the Year has to go through the Board of Control. Hiroshi Fukuoka nominated the Heart of the Arts section winner this year, Ethan Harris. Congratulations to Ethan. Heath Jackson commented on the great job our Student Advisory Council students have been doing and the growth that has come from the program since it started. Thank you to Mike Federico for all his guidance and help with our Student Advisory Council.

IHSAA Board Members – Expired Terms

Ty Jones spoke on the potential of five new Board of Director members after the June board meeting.

- Boys Coaches – Tyler Johnson
- Superintendent Association – Randy Lords (Re-Elect)
- Speech Arts Coaches – Dana Facer (Re-Elect)
- District IV – Brady Dickinson
- District II – Shawn Tieg (Re-Elect)

Committee Report

- Representation
 - Ty Jones spoke on representation in the action agenda.
- State Tournament
 - There is a potential of state spring tournament site changes and if that does occur, we will inform our schools on any and all changes as soon as possible.
- IHSAA Parent Meeting
 - We have received great feedback from our IHSAA Parent Meeting. The main thing the parents would like to improve is the experience our student athletes have at state events. Ty Jones and Zach Hoffman went to state tournaments in different states to get some ideas of how we can make the experience special to recognize the hard work and dedication our student athletes have put in.

Policy Manual/Bylaws/Legal Updates

Ty Jones spoke about the transition plan and what that might look like moving forward as Chad Williams steps in as the new Executive Director.

Action Agenda – Final Readings

2024-2025 State Wrestling Representation

A motion was made to approve the 2024-2025 representation to the State Wrestling Tournament with adding 4A district at large (Final Reading.) (See Page 13)

Motion Carried

2024-2025 State Basketball Representation

A motion was made to approve the 2024-2025 State Basketball Tournament with changing representation to the 4A Girls (Final Reading.)

A motion was made to approve 2025-2026 Possible State Tournament Sites with the modification of State Speech. (First Reading.) (See Page 16)

Motion Carried

2026-2027 Possible Sites for Future State Tournaments from Suggested to Tentative

A motion was made to approve 2026-2027 Possible State Tournament Sites with the modification of State Speech (First Reading.) (See page 16)

Motion Carried

Discussion Agenda

Petitioning Process

It was recommended to table the petitioning process until we get an entire year's worth of data to make any change or decision. One recommendation was if you petition down, you give up a state birth. You would only petition down for post season play.

Rule 12 Special Events

It was presented from Eagle High School, the requesting of an additional outside event for golf. Tony Brulotte spoke on his golf athletes having to choose between playing for their school team or playing in national tournaments and missing out on great opportunities such as playing in the Ryder Cup. It was stated that times have changed and we should possibly look at putting together a committee to see how some of these rules are affecting our athletes and what is best for them.

A motion was approved to move modifying rule 12 to the Action Agenda as a Final reading for the June meeting. (See Page 17)

Motion Carried

Adrian School District Request

A request from Adrian High School wanting to join the IHSAA as a member school again after being declined a couple years ago. we have allowed other out of state schools to join as a member school and last time this was brought up the WIC was overwhelmingly supportive of the addition. We do not know what their feeling are with this request as administration has changed, it was recommended that we reach out to see what their

thoughts are in this situation. It was stated that it doesn't change anything as of now for their regular season, it would change for post season play. All member school request must be decided at the January Board of Directors meeting. It was recommended that we pull more information and Adrian High School fill out all the member school forms for the Board of Directors to approve or deny. (See Page 18)

Board Made up by Region

Numbers and recommendations we presented to the board for a more equal Board of Directors rotation. It was stated that the committees make their decisions on who the best candidate is and feels they find the best candidates for those positions and not based on where they are located. It was recommended moving this to the discussion agenda in June and at that time move to an action item for the August meeting. This will be move to the work session for the June meeting, Ty Jones will form a committee throughout the six districts for discussion.

2024-2025 Ticket Prices

Ty Jones spoke on how prices of tickets haven't increased in the last 6-7 years. He asked that the schools reach out to their parents to inform them that we are increasing ticket prices by one dollar.

A motion was made to add to the June Action Agenda.

Soccer Mercy Rule/Yellow Card Accumulation

Implementing a mercy rule for Idaho. Half the coaches would like to have a mercy rule and half do not want a mercy rule. It was recommended to not move forward with a mercy rule. Coaches would like the Yellow Card count to be reset between districts and state.

A motion was made to move resetting Yellow Card count between district and state to the Action Agenda for the June meeting.

Motion Carried

Officials fees

A proposal was made on raising the officials registration fees ten dollars to include the NFHS network for all officials. The response received from commissioners, with the exception of District 2 softball everyone was a yes to move forward with the increase registration fee. The Board of Directors declined the increased registration fee and it was recommended to bring this up again next year when we have our numbers for officials returning for a third season.

Meeting was called into recess at 11:17 a.m.

Stacy Wilson moved; Tonia Burk seconded to move to Executive Session at 11:29 a.m.

Meeting adjourned at 11:55 a.m.

Proposals From ISATA:

Speech Classification

Classification - based on grades 9-12

- Four classifications; 1/4 of registered programs in each class.
- Division 1, Division 2, Division 3, Division 4
 - Division 1 – smallest school category
 - Division 4 – largest school category

State Sweepstakes Points

CURRENT: Determining Team Champions

1. Team winners are determined by the total combined points in event place finish. Points listed are the maximum possible for the placement.

First 5 points

Second 4 points

Third 3 points

Finalist 2 points

Semi-Finalist 1 point

2. A tie for team winners will be broken by:
 - a. largest number of entries breaking to finals
 - b. largest numbers of first, second, and third place finishers
 - c. largest number of first place finishers

PROPOSED:

1. Team winners are determined by the total combined points in event place finish. Points listed are the maximum possible for the placement.

In preliminary rounds points will be awarded by placement as follows:

- 3 points for 1st
- 2 points for 2nd
- 1 point for 3rd

In the semifinal round points will be awarded by placement as follows:

- 6 points for 1st
- 5 points for 2nd
- 4 points for 3rd
- 3 points for 4th
- 2 points for 5th
- 1 point for those placing 6th and below in the semifinal round.

Final round Points will be awarded as listed:

- 36 points for 1st
- 30 points for 2nd
- 24 points for 3rd
- 18 points for 4th
- 12 points for 5th
- 6 points for those placing 6th and below in the final round.

2. A tie for team winners will be broken by:

- a. largest number of entries breaking to finals
- b. largest numbers of first, second, and third place finishers
- c. largest number of first place finishers

EAGLE HIGH SCHOOL

574 N. Park Lane, Eagle, Idaho 83616 ♦ 208-350-4235 ♦ Fax: 208-350-4254

IHSAA Board of Directors

Eagle High School is proposing a modification to rule 12-1. We are requesting the number of special events increase from 2 to 3 events for all SA and 6A Golf participants. When the golf season was moved from the Spring to the Fall for the SA and 6A Classifications, one of the unintended consequences was the ability of higher-level golfers to compete in regional and national events on a limited basis. These events primarily take place during the Fall season, and due to the restriction of only being able to participate in 2 special events, our best golfers are being forced to choose between participating in High School Golf or playing in Special Events. Idaho is seeing an increase in the ability level of our best high school golfers, and in order for these student-athletes to increase their national junior rankings, they have to participate in regional and national events. National Junior rankings are extremely important when our golfers are being recruited by colleges and universities. We believe by increasing the number of special events from 2 to 3, this will give our golfers the ability to play in enough special events to help their national junior ranking and ability to be recruited, while at the same time allowing them the opportunity to play for their local High School teams. Golf is unique in that Junior rankings directly affect a student-athletes ability to be recruited to the top postsecondary schools. We have polled all SA and 6A golf coaches in the State, and based on all responses received, there is an overwhelming majority that are in support of 3 special events for golf. We have included the results of the survey. To be clear, we do not want special events to overtake participating for school teams in local events. We strongly believe there is value in participating for High School teams in local tournaments and league events in order to represent your team in the District and State Tournament. The goal is to be able to retain our highest-level golfers on our golf teams and provide the highest level of competition for our student-athletes at our statewide tournaments. Thank you for your time and consideration.

Sincerely

Tony Brulotte
Activities Director
Eagle High School

Subject: Joining Idaho conversation

Good morning IHSAA directors,

My name is Nick Ketterling and I am the Superintendent in the Adrian School District in Adrian Oregon. I am emailing you because I would like to have a conversation about Adrian possibly joining Idaho and the WIC for athletics in the near future. There are many concerns and questions about whether 8-man football will be around in two years within our state. I know we have a great relationship with the WIC as we play many teams in various sports each year. I know this idea was brought up and ultimately rejected a few years ago before I moved from Idaho to take this position. We are exploring all of our options and just want what is best for our student athletes. I would greatly appreciate having a conversation with you.

Thank you for your time and consideration

Nick Ketterling
Superintendent
Adrian School District
305 Owyhee Ave. Adrian, OR 97901
