

# 2024 Drama

## State Drama Representation

1. No more than the top 1/3, or any fraction thereof, of the entries that complete all rounds of an event at district drama will advance to State provided each qualifier received an excellent or superior rating.
2. State qualifiers shall be determined by a cumulative two or three-round ranking and rating. If a tie exists in the last qualifying position, both entries may advance.
3. Honest Effort: If a participant does not finish all rounds at District, he/she may be included in the count that determines the number of state qualifiers, provided the tournament manager determines that the non-finish was due to emergency circumstances beyond the student's control.

## District-to-state Representation

1-3 = 1 qualifier	13-15 = 5 qualifiers
4-6 = 2 qualifiers	16-18 = 6 qualifiers
7-9 = 3 qualifiers	19-21 = 7 qualifiers
10-12 = 4 qualifiers	22-24 = 8 qualifiers

## Alternates

1. Alternates shall be determined at the district tournament. Each district may designate two official alternates for each event, provided they received a superior or excellent rating at the district tournament.

3. Alternates will not be entered if the number of district qualifiers exceeds allowed representation due to ties in the last qualifying position.
4. Drops shall be reported to the IHSAA and changed online by noon on the Wednesday preceding State. Drops reported after that time will result in a fine being levied against the school (see speech arts general regulations).
5. Alternates replacing late drops will be entered up to the start of the first round at State. First choice will be the alternates from the district reporting the drop. If that alternate is not available, another will be randomly drawn from a pool of available district alternates, first from the #1 alternates' pool and then from the #2 alternates' pool.
