

Tracy Leinen, Boise High School

Tracy Leinen is one of the most well-respected administrators in the state of Idaho. In her thirty-five years in education, she has impacted literally thousands of young people and was instrumental in the growth, promotion and advancement of the Idaho Athletic Administrators Association. Before being named Boise High School athletic director in 1998, Tracy spent twelve years coaching a variety of sports including girls' basketball, volleyball and softball. She earned numerous coaching awards including district coach of the year honors seven times. However, Tracy's true impact came from her years as an outstanding athletic administrator and leader of the IAAA. She spent twenty-seven years serving her fellow AD's in both the IAAA as well as the NIAAA. She was a member of both the IHSAA and NIAAA Board of Directors, received Idaho Athletic Director of the Year honors three times, earned the 2006 NFHS Citation award and the Dick Fleischmann award in 2009. Tracy was also inducted into the IAAA Hall of Fame in 2019.
