Soccer Sports Practice Model

The IHSAA Board of Directors has adopted the fall sports practice model for soccer.

Game Limitation for Each Team

No team shall participate in more than 16 games per season.

Game Limitations for Individuals

An individual shall play in no more than 32 halves during regular season and no more than four (4) halves per day.

Game Limitations Per Day

No team or individual shall participate in more than two games per day during regular season play.

Number of Participants/Coaches/Support Personnel

At all play-in and state tournament games, varsity teams are limited to twenty-two students in uniform at the start of the contest. Violation of this rule will result in the school being assessed a maximum fine for dressing more than the approved number of players at a state play-in or tournament game with forfeiture of the game if excess numbers play. All classifications will be allowed three coaches and three support personnel to be admitted without an IHSAA card or tournament pass. Any coaches or support personnel exceeding that number must have either an IHSAA card or purchase a tournament pass.

Teams

Each school will be allowed to enter one varsity girls' team and one varsity boys' team into district competitions.

Girls will play on a separate team and boys will play on a separate team. If a school offers a boys' team and not a girls' team, girls will be allowed to play on the boys' team. If a school offers a girls' team and not a boys' team, boys will not be allowed to play on the girls' team.

Outside Competition

Competing on a club soccer team during the IHSAA season is prohibited. See Outside Competition Rule 8-11.

Soccer Practice Games

An organized scrimmage or practice with or against teams or players not belonging to their school is considered a contest, and counts toward the allowed 16 game regular season limit.

High school soccer teams are not allowed to scrimmage or practice with or against non-high school teams or players.

Playing Rules

All contests will be played under NFHS Rules. Rule books are to be picked up and signed for by the school representatives (one for boys', one for girls') at the district rules clinic.

Officials

Only IHSAA certified officials shall officiate any IHSAA contest. Officials may become certified by complying with IHSAA certification requirements. Assignment and training of officials is the responsibility of the District Board of Control of each activity district.

Sportsmanship

Sportsmanship shall be a point of emphasis for all schools sponsoring soccer. School administrators are encouraged to hold a sportsmanship meeting with all players, coaches and parents prior to the first regular season game.

Yellow Card Accumulation Program

Schools shall be required to track and record the accumulation of yellow cards (cautions) during the soccer season by an individual player or coach. The situations surrounding red cards (4-3 Ejections) are dealt with directly under IHSAA Rule 4-3 and will not change. The consequences for the accumulation of excessive yellow cards will be as follows:

1. Beginning with the first regular season contest, any player or coach who receives a total of five (5) yellow cards in one season shall be suspended from and may not participate in the next regularly scheduled contest at that level and all contests in the interim, including postseason games. Suspended players or coaches must serve their suspension in the next scheduled contest. If the total is reached in the final postseason contest, the suspension will be served in the first contest of the following year. If a senior is to serve a suspension, it shall be rolled over to the first contest of the next sport in which the athlete is involved. The IHSAA strongly recommends that school administration meet with any coach/player who reaches suspension level to address the situation and develop protocols for improvement.
2. If a player or coach receives an additional five (5) yellow cards after the first suspension, an additional two game penalty would apply and the process would be repeated. See next page:
 - 5 yellows = 1 game suspension
 - 10 yellows = additional 2 game suspension
 - 15 yellows = additional 3 game suspension, and so on.
3. A red card with 4-3 not in effect will count as two (2) yellow cards.
4. Coaches will be responsible for tracking yellow cards accumulated by their players and/or team personnel (coaches included) and report to their athletic directors. Each school is responsible for maintaining accurate records of all yellow cards received during the regular season and postseason tournaments. Schools must notify the IHSAA when the player or coach reaches suspension level. *See "Card Accumulation Notice" on the IHSAA website.
5. Officials shall include yellow card information in the DragonFly game reports when possible.
6. Yellow cards received in pre-season scrimmages or jamborees will not count towards accumulation totals.

7. Any illegal participation of suspended players or coaches may result in fines, sanctions and elimination from district and state play.
8. Any player/coach found guilty of getting him/herself deliberately cautioned will be subject to an additional match ban.
9. At the beginning of the District tournament (includes District play in games if applicable), yellow card count will reset to "0".
10. District tournament yellow card accumulation will be as follows:
3 yellows = 1 game suspension
6 yellows = additional 2 game suspension, and so on
11. At the beginning of the State tournament (includes State play in games), yellow card count will reset to "0".
12. State tournament yellow card accumulation will be as follows:
3 yellows = 1 game suspension

2025 State Tournament

Date: October 23-25

Site: 6A: Eagle HS (B)/Rocky Mountain HS (G)
5A: Columbia HS (B)/Middleton HS (G)
4A: Owyhee HS (B)/Meridian HS (G)

Time Schedule

Time schedules will be determined by each site host, depending on the number of fields available.

Size of Field

- A. The field of play shall be 100 yards to 120 yards long and 55 yards to 80 yards wide. It is highly recommended that high school games be played on a field at least 110 yards by 65 yards.
- B. In the event that a schools' field dimensions do not meet minimum standards, they shall line their field as close to the minimum standards as possible and shall indicate that their field falls below minimum standards because of geographic restrictions.

Tie Games

- A. Regular season games that are tied at the end of 80 minutes of play:
 1. The decision whether to break ties will be made prior to the game by the two teams playing.
 2. If used, tie games will be resolved by the same procedure used in (B).
- B. District, state or play-in games that are tied at the end of 80 minutes of play will be resolved as follows:
Two (2) sudden victory (10) ten-minute overtimes will be played. If the game is still tied after the (2) 10-minute overtime periods, kicks will be taken from the penalty mark with five (5) members from each team alternating kicks. After all five (5)

members from each team have kicked, the team with the most goals will be declared the winner. If the game is still tied, the coach will select five (5) new players (different players than the first five (5) who kicked), to take alternating kicks in a sudden victory situation; if one team scores and the other team does not score, the game is ended without more kicks being taken.

Suspended Soccer Games

In the event a game must be suspended because of conditions which make it impossible to continue play, the head referee shall declare it as an official game if one complete half or more of the game has been played. If less than one-half of the game has been played, the game may be rescheduled from the point of suspension of play. If for reasons the schools are unable to reschedule the contest, the game shall be declared no-contest.

2025-26 Soccer Rules Changes

3-3-1,2,3 2c (NEW)

Removes redundant language and permits substitutions during a temporarily suspended game.

Rationale: Eliminates redundant language and allows substitutions during a temporarily suspended game. In hot weather, state associations often authorize stoppages within a half for water breaks. Under this change, teams would now be permitted to make substitutions during these stoppages.

3-3-2b(2)

Clarifies that an injured player must leave the field if the referee beckons a coach or appropriate health-care provider.

Rationale: The rules change clarifies the current rule that if an official beckons a coach or appropriate health-care provider for any injured player, including the goalkeeper, that player must leave the field regardless of the reason the clock is stopped.

4-1-2

Clarifies that a number is required on the front of the jersey and/or the shorts.

Rationale: This language supports the rule prior to the reorganization of Rule 4 and adds clarification to the overall interpretation to clarify that a number is required on the front of the uniform which may be on the jersey and/or the shorts.

7-2-4 Prohibits a coach or team personnel other than the team captain from speaking with a **(NEW)** referee during interval between periods, unless beckoned by a referee.

Rationale: The time between periods of play is designated for rest for all participants, not for engaging with officials. This rule change introduces specific language and penalties for coaches who confront officials during these intervals, aiming to reduce unnecessary disputes and maintain a respectful game environment.

12-4-4

A misconduct penalty may be given to the head coach if team or bench misconduct occurs.

Rationale: To encourage and support sporting and positive bench decorum, the rule change reinforces the head coach's responsibility for the conduct of their team and bench personnel within the team area. It provides officials with additional tools, allowing them to warn, caution, or eject the head coach if any bench personnel engage in misconduct.

Rule 18 Elimination of Rule 18. Incorporating the definitions into their corresponding rules while expanding the index to serve as a quick reference tool to streamline the rules, improve clarity, remove unnecessary duplication and eliminate conflicting definitions.

Rationale: This change relocates definitions into their corresponding rules, streamlining the rules book by reducing redundancies and contradictions. The expanded index at the back of the book continues to serve as a helpful quick reference tool, while definitions were updated and aligned in context with appropriate rules.

GUIDELINES FOR HANDLING CONTESTS DURING **LIGHTNING DISTURBANCES**

The purpose of these guidelines is to provide a default policy to those responsible for making decisions concerning the suspension and restarting of contests based on the presence of lightning.

Proactive Planning

1. Assign staff to monitor local weather conditions before and during events.
2. Develop an evacuation plan, including identification of appropriate nearby shelters.
3. Develop criteria for suspension and resumption of play:
 - a. When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Suspend play and take shelter immediately.
 - b. Thirty-minute rule: Once play has been suspended, wait at least 30 minutes after the last thunder is heard or flash of lightning is witnessed prior to resuming play.
 - c. Any subsequent thunder or lightning after the beginning of the 30-minute count reset the clock and another 30-minute count should begin.
4. Hold periodic reviews for appropriate personnel.

For more detailed information, refer to the *Guidelines for Lightning Safety* section contained in the NFHS Sports Medicine Handbook www.nfhs.org.

Completing an Ejection Report in Dragonfly

1. In the “Assignments” screen, select the game where your ejection report took place.
2. At the bottom of the page, select the “Add Document”, “IHSAA Ejection Report”

A screenshot of the Dragonfly software interface. The top section has two rows: "Officials" with "No Officials found" and "Workers" with "No Workers found". Below this is a "Key People" section featuring a profile icon and the name "Clint Sanders" with his title "Athletic Director | ID Test School 1" and email "clint.idtest1@dragonflyathletics.com". The bottom section is titled "Game Documents" and contains an "Add Document" button. A dropdown menu is open from this button, showing three options: "IHSAA Ejection Report", "Incident Report", and "Yellow Card Report". To the right of the dropdown, the text "0 game documents to show." is visible.

3. Complete all fields (all required). **Be aware that once you have submitted, it cannot be edited. It will also be viewable to all ADs and Commissioners at that time.**

Please ensure when completing the report please do the following:

- **Use language from the rule book in your sport that constitutes an ejection.**
- Be clear and concise and only report information relevant to the ejection.
- Do not include editorial comments or opinions, just facts.
- If the ejection is for language, please use the language that the player/coach used without paraphrasing or characters to replace letters.

If penalties are imposed at the end of the sport season and no contest remains, the penalty is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next IHSAA sponsored sport.

The President of the District Board of Control (of the region in which the contest took place) may appoint a hearing committee to hear any appeals within 48 hours of the receipt of a complete report of the incident. It is the responsibility of the secretary of the District Board of Control in which the hearing took place, to notify the district Board of Control secretary in which the student athlete or coach resides. Appeals may not deal with decisions made by contest officials.

Baseball: next game	Track: next meet
Tennis: next match	Golf: next match
Soccer: next match	Swimming: next meet

4-3-6 Any ejection that is the result of physical contact or excessive verbal abuse by a player/coach on a game official will be referred to the local District Board of Control for review to determine if any additional reprimand or suspension is warranted.

4-3-7 If a coach is ejected from an IHSAA contest, the designated school administrator must appoint an appropriately qualified adult to supervise the remainder of the contest or forfeit the contest.
