Yellow Card Accumulation Program

Schools shall be required to track and record the accumulation of yellow cards (cautions) during the soccer season by an individual player or coach. The situations surrounding red cards (4-3 Ejections) are dealt with directly under IHSAA Rule 4-3 and will not change. The consequences for the accumulation of excessive yellow cards will be as follows:

1. Beginning with the first regular season contest, any player or coach who receives a total of five (5) yellow cards in one season shall be suspended from and may not participate in the next regularly scheduled contest at that level and all contests in the interim, including postseason games. Suspended players or coaches must serve their suspension in the next scheduled contest. If the total is reached in the final postseason contest, the suspension will be served in the first contest of the following year. If a senior is to serve a suspension, it shall be rolled over to the first contest of the next sport in which the athlete is involved. The IHSAA strongly recommends that school administration meet with any coach/player who reaches suspension level to address the situation and develop protocols for improvement.
2. If a player or coach receives an additional five (5) yellow cards after the first suspension, an additional two game penalty would apply and the process would be repeated. See next page:
5 yellows = 1 game suspension
10 yellows = additional 2 game suspension
15 yellows = additional 3 game suspension, and so on.
3. A red card with 4-3 not in effect will count as two (2) yellow cards.
4. Coaches will be responsible for tracking yellow cards accumulated by their players and/or team personnel (coaches included) and report to their athletic directors. Each school is responsible for maintaining accurate records of all yellow cards received during the regular season and postseason tournaments. Schools must notify the IHSAA when the player or coach reaches suspension level. **See "Card Accumulation Notice" on the IHSAA website.*
5. Officials shall include yellow card information in the DragonFly game reports when possible.
6. Yellow cards received in pre-season scrimmages or jamborees will not count towards accumulation totals.
7. Any illegal participation of suspended players or coaches may result in fines, sanctions and elimination from district and state play.
8. Any player/coach found guilty of getting him/herself deliberately cautioned will be subject to an additional match ban.
9. At the beginning of the District tournament (includes District play in games if applicable), yellow card count will reset to "0".
10. District tournament yellow card accumulation will be as follows:
3 yellows = 1 game suspension
6 yellows = additional 2 game suspension, and so on
11. At the beginning of the State tournament (includes State play in games), yellow card count will reset to "0".
12. State tournament yellow card accumulation will be as follows:
3 yellows = 1 game suspension
