

2025-26 Panel Topics

*(**ONLY** allowed to be used at District and State Speech 2026)*

Why is it that students feel unprepared for the "real world" after high school, and what should change at school or elsewhere, to mitigate this?

How can Idaho high schools best teach students to ethically use AI?

How can we encourage ourselves and society to engage with topics they disagree with in a civil, open-minded manner?

To what extent should free speech be protected in schools?

Idaho's teen suicide rates are some of the highest in the United States. What can we do to reduce the current suicide levels?
