IHSAA Mission Statement

The mission of the Idaho High School Activities Association is to coordinate, supervise, and direct interscholastic activities, which enhance and protect the total educational process of all student participants.

Purpose of a Citizenship Through Sports Program

In order for sports to serve a purpose in the educational system, students must obtain positive educational benefits from athletics such as; responsibility, self discipline, sportsmanship, teamwork, work ethics, integrity and personal sacrifice for the good of others.

The goal of a Citizenship Through Sports program is to encourage and promote the ideals of good sportsmanship and good citizenship throughout the athletic department and the entire high school community.

Information found in this manual is provided to assist school administration in developing high levels of citizenship and sportsmanship and to provide materials that will assist in achieving high scores on the Schools' Self Evaluation form for the Citizenship component of the Schools of Excellence Award.

IHSAA Sportsmanship Philosophy

The ideals of sportsmanship permeate virtually every aspect of our culture, and the ethics of fair play may be witnessed in all facets of life. However, the origins of sportsmanship have been firmly established in sports as a training ground for good citizenship and high behavioral standards.

The Idaho High School Activities Association, through its member schools, defines sportsmanship as those qualities of behavior that are characterized by generosity, respect and genuine concern for others. Further, an awareness of the impact of one's influence on others' behavior is an important aspect of sportsmanship.

The responsibility for developing sportsmanship rests with many different people. The complexity of this subject, in implementation, extends far beyond the boundaries of our definition. The IHSAA is philosophically and practically committed to the attainment and maintenance of all behavior guidelines addressed in this Manual. These modes of behavior explicitly define what is expected. Compliance is imperative in order to accomplish the real purpose: imparting the value of the other components of education.

"SCHOOLS OF EXCELLENCE" INITIATIVE

Academics - Athletics - Activities - Citizenship

PROGRAM SUMMARY

The Idaho High School Activities Association is pleased to continue the "Schools of Excellence" Initiative, whereby schools earn points based on their varsity teams' achievements in the classroom, at the competitive venue, and in the area of citizenship/sportsmanship. Participation is voluntary, and the school in each classification with the best overall program is honored with a special award at the end of the year. The three major areas of high school participation - academics, athletics/activities, and sportsmanship/citizenship - are weighted equally. *Deductions are made by the IHSAA for any player and/or coach unsportsmanlike ejections during the year and also for unsportsmanlike school behavior at state championship events.*

Academic Component

Points are compiled by the IHSAA, based on cumulative team GPAs as submitted on the *Academic State Champions Application* or *Academic Report – Non Athletic Activities Form* by the due date for each season. 100 pts. maximum value per sport/activity program:

1. Highest GPA in classification	100
2. Second highest GPA in classification	95
4. Team GPA 3.50 – 4.00	90
5. Team GPA 3.00 – 3.49	85
6. Team GPA 2.50 – 2.99	80
7. Team GPA under 2.50	75

Athletics/Activities Component

Points are compiled by the IHSAA, based on place of finish at sixteen IHSAA-sponsored state championship events, as well as state speech arts events, state cheer and dance events, state music competition, and state baseball. 100 pts. Maximum value per tournament:

1. State championship - 1 st place team	100
2. State championship - 2 nd place team	95
3. State championship - 3 rd place team	90
4. State championship - 4 th place team	85
5. Qualifying for state tournament (team sports)	75
6. Places 5 through 8 (individual sports)	75

Citizenship Component

Schools monitor their sportsmanship/citizenship activities throughout the year and submit the enclosed *School Self-Assessment Form* to the IHSAA in May. Points are based on self-evaluation of seven separate areas. Deductions are made by the IHSAA for all player and/or coach unsportsmanlike ejections during the year and also for unsportsmanlike school behavior at state championship events.

Citizenship Component Values: One-third of overall score (point values TBD)

5A/4A Scoring

Points accumulated for both Academic and Athletics/Activities will be totaled and combined with points from the Citizenship Component (minus points for coach/player ejections) to determine winners.

3A/2A/1ADI/1ADII Scoring

Total points accumulated for both Academic and Athletics/Activities will be converted to a percentage using the number of sports/activities offered by each school. There will be a minimum for each classification based on the average number of offerings by classification. Schools will be responsible for submitting a **Schools of Excellence Overview form**, listing the sports/activities offered. The score from the Citizenship Component (minus points for coach/player ejections) will then be added to determine winners.

School Self-Assessment Summary

THE FUNDAMENTALS OF SPORTSMANSHIP

Gain an Understanding and Appreciation for the Rules

Know the rules. The spirit of good sportsmanship depends on conformance to a rule's intent as well as to the letter of the rule.

Exercise Representative Behavior

The true value of interscholastic competition relies upon everyone exhibiting behavior that is representative of a sound value base. Your behavior influences others whether you are aware of it or not.

Recognize and Appreciate Skilled Performance, Regardless of Affiliation

Applause for an opponent's good performance displays generosity and is a courtesy that should regularly be practiced. This not only represents good sportsmanship but also reflects a true awareness of the game by recognizing and acknowledging quality.

Display Respect for Officials

The officials of any contest are impartial arbitrators who are trained and who perform to the best of their ability. The rule of good sportsmanship is to accept and abide by the decision made. This value is critical for students to learn for later application in life.

Display Respect for Your Opponent

Opponents are guests and should be treated cordially, provided with the best accommodations and accorded respect at all times. Be a positive representative of your school, team or family. This fundamental is the Golden Rule in action.

Display Pride in Your Actions

Never allow your ego to interfere with good judgment or your responsibility as a school representative. Regardless of whether you are an adult, student, player, coach, or official, this value is paramount since it suggests that you care about yourself and how others perceive you.

SPORTSMANSHIP

**RESPECT – INTEGRITY – HONESTY – TEAMWORK – LEADERSHIP
PERSONAL RESPONSIBILITY**

IHSAA Coaches Code of Ethics

The function of a coach is to educate students through participation in interscholastic competition. Interscholastic programs should be designed to promote citizenship and enhance the academic mission of the school.

The Coach Will

- Be aware that he or she has a tremendous influence, for either good or ill, on the education of the student and, thus, shall never place the value of winning above the value of instilling the highest ideals of character.
- Uphold the honor and dignity of the profession. The coach shall strive to set an example of the highest ethical and moral conduct. The coach/school will honor contracts regardless of possible inconvenience or financial loss.
- Master the contest rules and shall teach them to his or her team. The coach shall not seek an advantage by circumvention of the spirit or letter of the rules.
- Demonstrate respect and support for officials. The coach shall not indulge in conduct, which would incite players or spectators against the officials. The coach will not make statements concerning officials' decisions after a game.
- Work with school faculty to promote overall educational growth of the student. The coach shall not exert pressure on faculty members to give student-athletes special consideration.
- Honor the commitment to student based programs that supplement the educational growth of each student-athlete.
- Be professional in association with other coaches. The coach should meet and exchange cordial greetings with the opposing coach to set the correct tone for the event before and after the contest.
- Exert his or her influence to enhance sportsmanship of all extracurricular activities.
- Cooperate with different media sources in an appropriate manner that promotes all aspects of the sport, school and community. Public criticism of officials, opponents or players is unethical.
- Uphold all policies and procedures of the school, district, IHSAA and the National Federation.

IHSAA/NFHS Public-Address Announcers Guidelines

1. **Be early and be prepared.** If possible arrive at the facility one hour before game time. Visit with both coaches to ensure proper pronunciation of players and coaches' names. Also, review any scripted pre-competition announcements required by the school (i.e., National Anthem, emergency procedures, concession and facility announcements, etc.).
2. **Work with the officials.** Communicate with the officials before the game regarding plans for the pre-competition, during competition and post-competition announcements and ask for their feedback. Make sure the final plan works for all involved.
3. **Promote sportsmanship.** Create a positive competitive environment through non-biased promotion of fair play. This may be in the form of a scripted pledge of sportsmanship and/or in the vocal display of respect for all participants (players, coaches and officials).
4. **Stick to the basics.** Deliver pertinent information while avoiding the use of play-by-play and cheerleading.
5. **Be accurate.** Understand the proper terminology used for the sport and avoid the use of slang terms. Wait until officials complete their call(s) before reporting to the spectators.
6. **Never talk over the action.** Understand the appropriate information to be announced and the proper time in which to announce for each sport.
7. **Be on your toes and keep your cool.** Weather alert, emergency evacuation, severe injuries are possible reasons that play could be delayed, and communication becomes essential to facilitate coordinated school/facility emergency procedures. Be familiar with the emergency management plan. The calm tone and direct delivery of instructions to participants and spectators is essential.
8. **Be professional.** Take your job seriously by addressing coaches, officials, administrators and athletes with respect regardless of team affiliation. Be properly dressed and exhibit professional behavior at all times by respecting all school/facility policies.

IHSAA/NASPAA Announcers Code of Conduct

The National Association of Sports Public Address Announcers (NASPAA) is the professional association for sports public-address announcers. The following principles and expectations underscore the NASPAA's public-address announcing philosophy. Public-address announcers who utilize these guidelines will be in a position to announce virtually any athletic event with confidence.

- Announcers shall understand that their role is to provide pertinent information in a timely manner and to do so professionally and not attempt to be bigger than the game or event by doing play-by-play or by providing commentary in an effort to entertain or to draw attention to himself or herself.
- Announcers shall understand that because they have a tremendous influence on the crowd and that cheerleading or antics designed to incite the crowd for the purpose of gaining an advantage for their team is inappropriate.
- Announcers shall promote good sportsmanship and a positive environment by what they say and how they act.
- Announcers shall treat the opponents and their fans as guests, not the enemy.
- Announcers shall respect the individuals who are responsible for the conduct and administration of athletic games and events, such as coaches, officials and administrators, and avoid making any comments that reflect positively or negatively on them.
- Announcers shall respect the participants of all teams and remain neutral when introducing the starting participants, announcing substitutions and the outcome of plays or performances of the participants.
- Announcers shall be competent. This means following approved announcing guidelines, expectations and policies, such as emergency procedures, provided by the administration or the host facility.
- Announcers shall be prepared, such as being familiar with the correct pronunciations of the participants' names, knowing the rules of the sport, the officials' signals and how the game is played.
- Announcers shall exhibit professional behavior and represent their school, organization or association with respect and dignity at all times by what they say, how they act and how they appear.
- Announcers shall avoid using alcohol and tobacco products at the venue.

Coaches' Introduction to Manual

HIGH SCHOOL ATHLETIC OFFICE MEMORANDUM

TO: ALL COACHES

FROM: _____, Athletic Director

SUBJECT: *Citizenship Through Sports Manual*

The Idaho High School Activities Association is committed to the development and promotion of good citizenship/sportsmanship among our student-participants. The information contained in this Citizenship Through Sports manual is taken from the "Citizenship Through Sports Alliance", which includes all major high school, college and professional sports organizations.

Because of the size of our state and the IHSAA Board's commitment to the promotion of citizenship and sportsmanship, we have a unique opportunity to make a tremendous, positive impact on our student athletes and our communities.

In order for sports to serve a purpose in the educational system, students must obtain positive educational benefits from athletics. These benefits include: responsibility, self-discipline, respect for self and others, teamwork, work ethic, sportsmanship, integrity and personal sacrifice for the good of others.

According to student athletes, the coach is the single most influential person in determining the behavior of participants. Take that responsibility very seriously!!

What you can do:

- Always set a good example for participants and fans to follow, exemplifying the highest moral and ethical behavior.
- Instruct participants in proper sportsmanship responsibilities and demand that they make sportsmanship a top priority.
- Respect the judgment of contest officials, abide by the rules of the event and display no behavior that could incite fans.
- Treat opposing coaches, participants and fans with respect. Shake hands with the officials and opposing coaches in public.
- Develop and enforce penalties for participants who do not abide by sportsmanship standards.

Coaches' Introduction to School Sportsmanship Program

HIGH SCHOOL ATHLETIC OFFICE MEMORANDUM

TO: ALL COACHES

FROM: _____, Athletic Director

SUBJECT: Sportsmanship Program

One of the athletic department's goals for this school year is to implement and promote a Sportsmanship Program. We all know that when two schools or programs compete against each other there are really two objectives. One objective is to determine which school or program has the better team, and the other is to determine which school or program has instilled in its student athletes the desirable qualities of good sportsmanship, courtesy and fair play.

As educators and role models we have an obligation to teach and maintain good sportsmanship within our athletic programs. We must not only demonstrate adherence to the standards of good sportsmanship but we must also instill in our student athletes their responsibility to abide by these standards.

Listed below are a few additional things we can do to promote good sportsmanship.

DURING THE SEASON:

- MODEL AND TEACH THE IMPORTANCE OF GOOD SPORTSMANSHIP
- ENCOURAGE AND PROMOTE SPORTSMANSHIP AT EVERY OPPORTUNITY
- REWARD DISPLAYS OF GOOD SPORTSMANSHIP (T SHIRTS, FREE COUPONS, DAILY ANNOUNCEMENTS, ATHLETIC NEWSLETTER, ETC.)

POST SEASON:

- PRESENT A SPORTSMANSHIP AWARD AT EACH ATHLETIC BANQUET
- NOMINATE AN ATHLETE FROM YOUR PROGRAM FOR THE SPORTSMANSHIP OF THE YEAR AWARD
- HIGHLIGHT AN ATHLETE WHO DISPLAYS GOOD SPORTSMANSHIP IN AN ARTICLE IN THE ATHLETIC NEWSLETTER

END OF THE YEAR:

- PRESENT A SPORTSMANSHIP OF THE YEAR AWARD AT THE AWARDS PROGRAM
- PRESENT THE RECIPIENT OF THE SPORTSMANSHIP OF THE YEAR AWARD A \$100.00 GIFT CERTIFICATE FROM SPORTING GOODS STORE.

Hopefully, the Sportsmanship Program will be another step toward maintaining our quality athletic programs. Thanks in advance for your support of this program and please feel free to submit any recommendations or suggestions to my office.

Thanks once more for your time, effort and commitment to athletics at _____ High School.

- Wish opponents good luck before the game and congratulate them in a sincere manner that you would like to be greeted following either victory or defeat.

Sportsmanship Hints

_____HIGH SCHOOL ATHLETIC OFFICE MEMORANDUM

SUBJECT: SPORTSMANSHIP HINTS

Promotion of good sportsmanship is a constant effort. Below are "SPORTSMANSHIP HINTS". These are short and simple informational messages. As you receive these short messages throughout your season, please take a few minutes to share these thoughts with your athletes.

Thanks for your cooperation and assistance.

SPORTSMANSHIP HINT #1

What is SPORTSMANSHIP? It is the practice of playing fair, of taking loss or defeat without complaint or victory without gloating, and treating opponents with respect, fairness, generosity, courtesy, etc.

Thanks for the extra effort!!

SPORTSMANSHIP HINT #2

Don't allow your student athletes to taunt other athletes.

What is taunting?

"Any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters."

SPORTSMANSHIP HINT #3

Use every practice as an opportunity to demonstrate the characteristics of good citizenship and sportsmanship.

SPORTSMANSHIP HINT #4

When spontaneous acts of sportsmanship occur, praise the player at your first opportunity.

SPORTSMANSHIP HINT #5

Remind your athletes that they are never to be the first or third person in an altercation. If they unwillingly become the second person in a fight someone pushes them or swings at them they are to walk away.

They should either walk towards an official or towards their bench. Walking away is the difficult choice; it's easier to fight.

SPORTSMANSHIP HINT #6

Remind your athletes why honest, spontaneous celebration of achievement is not only allowed, but also welcomed, and why preplanned, showy displays designed to insult the other team are not.

SPORTSMANSHIP HINT #7

Make it a team goal to have no technical fouls (in basketball) or unsportsmanlike conduct fouls (in football) or ejections (in softball or soccer) for the entire season.

SPORTSMANSHIP HINT #8

Discuss sportsmanship in depth with your captains. They are your representatives with the team, and they need to be in step with you regarding sportsmanship. It's important for them to set an example for their teammates on displaying good sportsmanship.

SPORTSMANSHIP HINT #9

Remind your athletes that. . .

**“WINNING IS FOR A DAY.
SPORTSMANSHIP AND CITIZENSHIP ARE FOR A LIFETIME.”**

SPORTSMANSHIP HINT #10

Remind your athletes that.....

Sportsmanship is more important than wins or losses, because it reflects very accurately their depth and quality of character.

SPORTSMANSHIP HINT #11

Coaches, you:

- Set the tone for the importance of sportsmanship in your sport's program
- Establish ground rules
- Define acceptable and unacceptable behavior, what a player can do after a score or a sack, and what actions are unsportsmanlike in your judgment
- Set the standard for sportsmanship behavior by what you say and do and by establishing expectations of your athletes
- You're the pivotal, most influential figure in heightening the code of sportsmanship among your athletes
- Have the tools necessary - time with the athletes and the inherent authority of your role to set a high standard of sportsmanship

APPENDIX “M”

United States Flag Code

PROCEDURES FOR SALUTING THE FLAG

During the school year, interscholastic athletic teams will find many occasions where the National Anthem will be played before a contest. In order to ensure that schools are following the proper procedures and paying proper respect when the National Anthem is played, below is the United States “Flag Code.” School administrators are asked to review the code

§170. National anthem; Star-Spangled Banner

The composition consisting of the words and music known as The Star-Spangled Banner is designated the national anthem of the United States of America.

§171. Conduct during playing

During rendition of the national anthem when the flag is displayed, all present except those in uniform should stand at attention facing the flag with the right hand over the heart. Men not in uniform should remove their headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Persons in uniform should render the military salute at the first note of the anthem and retain this position until the last note. When the flag is not displayed, those present should face toward the music and act in the same manner they would if the flag were displayed there.
