SEEDING COMMITTEE BRACKET DRAW PROCESS

4A Seed Placement for a Draw of 13

The three district champions will receive first round byes, which will be placed in positions 2, 7, 10, or 15, depending on seeding

Place the top 4 seeded players according to USTA rules:

- The number 1 seed is placed on line 1
- The number 2 seed is placed on line 16
- The number 3 and 4 seeds are placed on lines 8 and 9. *Note:* *The 3 seed will be placed on line 9 and the 4 seed will be placed on line 8 unless there is a district or school conflict. If that happens, seeds 3 and 4 will be flipped along with the associated bye for the 3 seed.

The remaining 2 seeds will be placed as follows:

- The number 5 seed is placed on line 5
- The number 6 seed is placed on line 12. *Note:* *The 5 seed will be placed on line 5 and the 6 seed will be placed on line 12 unless there is a district or school conflict. If that happens, seeds 5 and 6 will be flipped.

4A Placement of players 7-13 for a Draw of 13

Players 7-13 will be placed on lines 3, 4, 6, 7 (or 10 if #3 and #4 seeds flip), 11, 13, and 14, and according to the following guidelines:

- In drawing players 7-13, we will remove any fellow district players for that same quarter
 - Since District I/II and District III each receive 5 of the 13 bracket positions, there will be one potential District I/II vs. District I/II and one potential District III vs. District III match in the quarterfinals
- In drawing players 7-13, every attempt will be made to keep fellow schools from playing in that same half
 - If the draw results in the same schools playing in the same half, adjustments will be made if possible
