The final decision in setting sites, dates and time for each state championship game will be made by IHSAA Representatives and will be finalized by 10:00 a.m. the Sunday prior to the state championship game.

### Selection Criteria:

#### A. Factors determining the site of a state championship game are:

1. Idaho State University – There may be at least three games, and possibly four, scheduled at Holt Arena. Two games should be scheduled on Friday. The remaining game or games will be scheduled on Thursday or Saturday, with times to be determined by ISU’s football schedule.
2. University of Idaho — There may be a maximum of three games per day scheduled at the Kibbie Dome. If possible, games should be scheduled for Friday afternoon and evening. Game times and dates will be determined by U of I’s football schedule.
3. Boise State University — There may be two games per day played at Dona Larson/ Albertsons Stadium. Game times and dates will be determined by the Boise State football schedule.

#### B. Other factors determining the site of a state championship game are:

1. Travel - loss of instruction time for the two participating teams.
2. Geographical rotation based upon recent participation of the district from which the teams are participating.
3. A region may not host a state championship game two years in a row unless both teams are from the same region
4. If No. 2 and No. 3 are in conflict with each other, No. 3 will take precedence over No. 2.
5. Availability of lodging and meals for teams, support groups and spectators.
6. Availability of the site to set reasonable game times. No game may be scheduled to start after 9:00 p.m. The team traveling the farthest distance will get first choice of game time.
