

Jerry Bayley – 1998 Hall of Fame Inductee

Jerry Bayley helped orchestrate an excellent educational program throughout his 26-year tenure as principal at St. Maries High School. Under his tutelage St. Maries developed an activities program that brought honors and rewards to its students and teachers.

The emergence of girls' sports at St. Maries was due in large part to Jerry's decisions in hiring excellent teachers and coaches who ultimately won 17 state championships in volleyball, basketball, and golf.

Jerry served on the IHSAA Board of Directors and was instrumental in changing the rule on age eligibility for student-athletes to twenty.
