

## Kenneth Carberry – 1991 Hall of Fame Inductee

Kenneth Carberry has been involved in high school activities throughout his 40-year career in education, all in the Emmett School District. He supported music, drama, debate, and athletics during his career. For many years he volunteered at the State Track Meet.

In 1987, Carberry was inducted in the Retired Teachers' Association Hall of Fame. He received the first award from the Gem County Education Association. From 1947-48, Carberry served on the IHSAA Board of Directors representing District III. Due to his many contributions to the Emmett School District the new elementary school was named after him.
