

## Tom Yeoumans – 2013 Hall of Fame Inductee

Tom Yeoumans began his career in 1969 as a teacher and coach in the Potlatch School District. During his illustrious career in Potlatch, Tom coached numerous sports including football, basketball, baseball, and track. He moved into administration in 1974 taking the athletic director position and eventually serving as principal of Potlatch High School. Tom retired from the Potlatch School District in 2004.

Tom received many awards and accolades during his thirty-five-year career including Coach of the Year eleven times, nine for football and two for basketball. Tom singlehandedly turned around the football program at Potlatch High School during his career, creating a sense of pride and respect throughout the entire community. Tom coached hundreds of grateful student-athletes in Potlatch, but his impact might have been most widely felt as an administrator and board member for both the District II Coaches Association and the District II Board of Control.
