Discussion Agenda: Modification of Rule 4-3-4

CONSENT AGENDA

The Consent Agenda, which included Minutes from December 9, 2014 Board of Directors Meeting and the December 1-31, 2014 Financial Report, was approved.

REPORT AGENDA

Concussion Survey
Ty Jones reported on the number of schools that have completed the 2014 fall concussion survey. Approximately 15% of the member schools have not filed their reports. Next year, fines will be assessed for non compliance.

Five Year Calendar
Ty Jones reported on conflicting dates of board meetings and an IMEA date between the IHSAA Five Year Calendar and the on-line current year calendar. These dates will be corrected and reposted on the website.

State Drama
Ty Jones reported on the 2014 State Drama tournament held at Rocky Mountain High School. Host sites are being subsidized more by the IHSAA to feed tournament workers.
Committee Reports
Ty Jones reported on the committees that met during the preliminary work meeting. The Hall of Fame committee has selected eight (8) people to be sent to the committee that determines the finalists to be voted on at the April meeting.

NFHS Winter Meeting
Ty Jones reported on the NFHS winter meeting that was held in Asheville, North Carolina. The biggest issue at the meeting dealt with concussion. Protocols that schools should follow and legislations that states should have in place were reviewed.

Rules and Regulations Manual
Ty Jones reported on the two IHSAA rules that were reviewed with board members during the preliminary work meeting. Those rules were: Rule 2 - Classification and Representation, Rule 8-18 - Undue Influence and Rule 11 – Non-Discrimination Policy. In dealing with Rule 8-18, schools need to know that parents talking to 8th graders and club teams “recruiting” members for their schools team is illegal and could get a school in violation of that rule.

Position Opening
Ty Jones reported on the position of Media and Technology Content Coordinator opening. Applications are due by Friday, March 20, 2015. Notification of this position will be sent out to member schools the first part of February.

DISCUSSION AGENDA

1. Volleyball match limitations prior to a school start date was discussed. If a school has a volleyball tournament before the start date of school, a school having a late start day could have an extra tournament. How matches are counted is the concern.
   No action was taken.

2. An additional football game for Emmett High School was discussed.
   No action was taken.

3. Modification of Rule 4-3-4 was discussed. Ejection appeals should be made only to the district in which the ejection occurred, regardless of where the individual resides.
   Current rule: The responsibility to enforce the penalty for being suspended lies with the school principal. Any dialogue concerning the suspension should come from the school principal and be directed to the President of their District Board of Control. The President of the District Board of Control may appoint a hearing committee to hear any appeals within 48 hours of the receipt of a complete report of the incident. Appeals may not deal with decisions made by contest officials

   Suggested modification: The responsibility to enforce the penalty for being suspended lies with the school principal. Any dialogue concerning the suspension should come from the school principal and be directed to the President of the District Board of Control in which the contest took place. The President of the District Board of Control in which the contest took place may appoint a hearing committee to hear any appeals within 48 hours of the receipt of a complete report of the incident. It is the responsibility of the secretary of the Board of Control in which the hearing took place, to notify the secretary of the Board of Control of the district which the student-athlete/coach represents. Appeals may not deal with decisions made by contest officials

   This item was moved to the Action Agenda of the April meeting.
