INTRODUCTION

The registration and certification of all high school sports officials for contests in grades nine-twelve is a function of the Idaho High School Activities Association.

This handbook has been prepared to provide a better understanding of the policies and procedures for registration and certification of athletic officials in Idaho.

The sports official plays an important role in the development of young people and is expected to exhibit a high degree of moral character. He/she must have unquestionable integrity and be free of any racial, religious or personal prejudice. The official should always display conduct, which is a credit to the officials of Idaho, the Association, and the sports program.

All officials and prospective officials are required to follow the procedures set forth by the Association in registering and becoming certified each year in each sport he or she plans to officiate.

The Idaho High School Activities Association classifies all athletic officials as independent contractors. There should be no employer/employee relationships between the official and any of the Idaho organizations, including the Idaho High School Activities Association, the District Board of Control, the district commissioner, or the schools for which the service is provided.

3. I will conduct myself in such a way that attention is drawn not to me, but to the young people playing the game.
4. I will maintain my appearance in a manner befitting the dignity and importance of the game.
5. I will cooperate with the news media in the interpretation and clarification of rules and/or other areas relating to good sportsmanship but I will not make statements concerning “calls” after a game.
6. I will uphold and abide by all rules of the IHSAA and the National Federation.
7. I will shape my character and conduct so as to be a worthy example to the young people who play under my jurisdiction.
8. I will give my complete cooperation to the school that I serve and to the IHSAA which I represent.

CLINIC REQUIREMENTS for STATE OFFICIALS

Required hours: A clinic required for all athletic officials eligibility to officiate state play-ins and championship games is defined as in class or on field/court instruction that must include a minimum of **six contact hours**. The contact hours can be acquired in multiple days or one six hour block that would not include breaks.

Court or field mechanics may include officiating simulated or actual games or specific situations or review of game tapes/films.

Clinic content: A clinic may contain general information such as motivational presentations, health and safety presentations, tax information, and/or other materials of interest. A clinic may cover multiple sports, however, participants must attend sports-specific presentations to receive credit for a clinic in that sport.

STATE RESPONSIBILITY

1. The IHSAA office provides rule packet materials, which include NFHS Rule Books, Case Books, manuals, etc. Registration fees cover the cost of producing these materials and insurance coverage.
2. A service of the IHSAA is to sponsor rules clinics for officials and coaches. These clinics are conducted by state rules interpreters who cover rule changes, rule interpretations, points of emphasis, and special topics. When contacting the IHSAA for a rule interpretation or clarification, please direct questions to the person in charge of that sport:
 - Ty Jones** – football, cross-country, wrestling, basketball, track
 - Julie Hammons** – swimming, golf, softball, soccer
 - Mike Federico** – volleyball, tennis, baseball
3. **Online Testing:** Testing is an important part of the training procedure. Tests are used to help gauge each official's knowledge in given game situations. Part I is required for basketball and track; Part II is required for all other sports. The required test is open book and used to determine varsity or non-varsity status. With the exception of basketball and track, Part I test is open book to be completed at the official's leisure, individually or in a group. Its primary function is to serve as a guide to help study and learn the rules.

DISTRICT RESPONSIBILITY

1. Activity district associations are the key to a successful officiating program. Recruiting, educating, rating, and assigning officials are all important functions of these associations.
2. All officials used to officiate contests in grades nine-twelve must be on approved lists as required by the IHSAA rules and regulations.
3. The organizational pattern followed in operating district officials' associations differs from district to district.
4. Recruiting new officials is a primary responsibility at the local level. Officials who are active in the program, coaches, and school administrators should always be looking for individuals whom they feel have the background and interest to become proficient officials.
5. The educating program at the district or local level should require membership in the local officials' association and active participation in the regularly scheduled meetings. The district or local commissioner or assigned rules interpreter should be active in developing a training program to constantly upgrade the caliber of officiating.

ASSIGNMENT OF OFFICIALS

All sports officials used in contests involving grades nine-twelve must be certified by the IHSAA. While the IHSAA has established minimum requirements that all officials must fulfill, the IHSAA is not responsible for the assigning or rating of officials during the regular season and cannot guarantee all officials will be assigned to officiate interscholastic contests. The sport commissioner in each district usually assigns all officials for varsity contests. Officials for non-varsity contests may be assigned through appointed persons or secured independently, depending upon the policy the local district has adopted.

SELECTION OF STATE OFFICIALS

1. The selection of officials for state level competitions is the responsibility of each activity district.
2. Each activity district is required to submit a list of ranked (1-10) certified officials to the IHSAA.
3. The assignment of officials to state competition will be determined by the order of district ranking of each individual official.
4. The number of officials representing each district at state competition in soccer, volleyball, basketball, wrestling and softball will be determined by the IHSAA.
5. In football, the top team of officials selected from each activity district will be assigned to officiate a game in the Milk Bowl that does not involve a team from their district.
6. In basketball, the top rated official from each activity district will be assigned to officiate a championship game in one of the six classifications. The game will be one in which a school from their district is not involved.
7. An official will not be eligible to officiate a state contest until **after the third season (two for soccer)** of service as a certified official.
8. An official must attend an official's clinic, other than the district rules meeting once every three years for eligibility to officiate a state tournament.

STATE RULES & REGULATIONS: Officials

10-1 General

- a. The Association reserves the right to suspend or drop from the approved list any official who does not comply with the Code of Ethics for Athletic Officials, whose conduct on or away from the area of competition indicates the official is unfit to serve, or who does not wear the official uniform as prescribed by the Association.
- b. All officials must pass a criminal background check conducted by the Association upon registering and every odd-numbered year of continued service. Officials cannot have been convicted of:

10-1-5 Game officials may not declare a forfeit of a state tournament game prior to consulting with the tournament manager.

10-1-6 Officials assigned to play-in games involving the sports of volleyball, football, soccer, basketball, and softball will be selected from the host district.

In the sports of volleyball and basketball if one of the schools is from the host district, the officials should be selected from the activity districts involved in the play-in game. One official from each participating district would be selected.

Requesting Neutral Officials Neutral officiating crews will be assigned in the sport of football for all semifinal games. District crews will have equal representation when possible.

If neutral officials are requested for the 3A, 2A and 1A quarterfinals, the requesting school will pay all additional expenses or \$250, whichever is greater, to the IHSAA. Such requests must be submitted by the school in writing to the IHSAA by the Monday prior to the contest.

The neutral crew would come from the district closest to the game site. Example: A school from District V requests their football play-off game involving District IV use officials from a neutral district. If the game is played in District IV, District III officials would be used. If the game is played in District V, District VI officials would be used.

If circumstances exist where officials are not available from a neutral district, the officials will be assigned under the IHSAA standard policy for assigning officials to play-off games.

2020 Baseball

Game Limitation

A team or individual is limited to 22 games or 20 games plus one tournament, not to exceed 24 games. If a school loses a scheduled tournament game or a school is unable to attend a tournament due to reasons beyond their control, the school can reschedule lost games. A contestant who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored competition of that sport.

Rules

All contests will be played under National Federation rules. Rule books and case books are to be picked up and signed for by the school representative at the district rules clinic.

Idaho Rules Modifications

The National Federation of the State High School Associations Baseball Rules are the official rules for Idaho high school baseball games, except as modified by the IHSAA Board of Directors. The following modifications have been approved and must be observed:

1. All varsity games must be seven innings. A game shall end when a team is behind 10 or more runs after 5 innings. Games may also be shortened by following procedures outlined by National Federation Rule 4-2-4.
2. If weather or darkness causes a tied game to be called, such game shall be considered a suspended game and shall be continued from the point of suspension at a later time.
 - a. If a game is called before five full innings have been played and the score is not tied, such game shall also be considered a suspended game, unless the home team has scored a greater number of runs in four or four and fraction turns at bat than the visiting team has scored in five terms at bat, in which case it is a regulation game.

Pitching Rules

1. No pitcher may throw more than 110 pitches in a game or day if the team is playing a doubleheader. A pitcher will be allowed to finish a batter if they hit the maximum limit (110 in varsity play; 85 in sub-varsity) during an at-bat, but must exit the position after the hitter.
2. A pitcher cannot throw three consecutive days no matter how many pitches they have combined to throw the previous two days.
3. No varsity pitcher can throw more than 100 pitches over two consecutive days. No sub-varsity pitcher can throw more than 60 pitches over two days. That limit will result in two day of mandated rest. (Note: Swing players who play multiple days at multiple levels should combine pitches thrown and use the VARSITY chart for mandated rest.)

- Starting with the first day of practice, pitchers cannot throw more than the amount listed on the charts below. This will be for the first 30 days of practice and games. After 30 days pitchers will use the other chart.

36-60	2 Days
26-35	1 Day
1-25	0 Days

*Required Days rest is a complete calendar day

EXAMPLE: (after the first 30 days of practice) If a Varsity pitcher throws more than 86 pitches on Tuesday, they would be able to pitch again on Saturday. Resting on Wednesday, Thursday and Friday.

The Idaho pitching rules must be observed by Idaho teams even when playing in other states.

- If a school/pitcher violates the pitching rules, the game in which the violation occurred will result in a forfeit.
- During each contest, the home team hosts the official book. A record of pitches should be recorded with the opposing team after each full inning. Verification of all pitchers and pitches thrown should be agreed on by both teams after each game.

7. **Each school will use MaxPreps to record their own team's total pitches of each game.
 - a. Pitch count will be recorded on MaxPreps by noon the date following the game or prior to their next contest whichever occurs first.
 - b. If a team plays a doubleheader, pitch count for both games will be recorded on MaxPreps by noon the date following the doubleheader or prior to their next contest whichever occurs first.
8. **If a school fails to report the pitch count from a game to Max Preps, the violation should be reported to the board of control and the coach will be suspended for the following two games.

**Rule 7 and 8 are pending board approval; Fall 2019

Speed-up Rules

The IHSAA Board of Directors has approved the use of the courtesy runner speed-up rule for those leagues or districts that wish to adopt the rule. In inter-leagues or inter-district competition, both teams must agree to allow the speed-up rule before it may be used.

1. The team at bat may use courtesy runners for the pitcher and the catcher as soon as they get on base. The same runner may not be used for both positions. Neither the pitcher nor the catcher will be required to leave the game under such circumstances.
2. Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners.
3. A player may not run as a courtesy runner for the pitcher or the catcher and then be used as a runner or batter for another player in that inning.
4. For illegal substitution of a courtesy runner, such substitutes shall be disqualified for the duration of the game.

2019-20 Basketball

Game Limitations for Each Team

Teams are limited to 18 games - strongly recommended - and not to exceed 20 games (21 if playing a 3 game tournament). If a school loses a scheduled tournament game or a school is unable to attend a tournament due to reasons beyond their control, the school can reschedule lost games.

Game Limitations for Individuals

During the regular season, 5A, 4A, 3A and 2A athletes are permitted to play in no more than 80 quarters of basketball, or 84 if a 21 game schedule occurs because of a tournament; 1A athletes may play in 100 quarters of basketball. In addition, 5A, 4A and 3A athletes are permitted no more than four (4) quarters per day when playing one game. 2A and 1A athletes may play five (5) quarters per day when playing a one game schedule. All athletes are permitted to play eight (8) quarters per day when playing two games in one day against different schools.

Any 2A, 3A, 4A or 5A basketball program may request a waiver of the 4/80 quarter limitation, increasing the number of quarters their sub-varsity players are allowed to play to 5 per night and 100 per season upon a petition, signed by the school principal and athletic director, that verifies:

1. There are 14 or fewer participants in the program and the program desire to field two teams; or
2. There are 21 or fewer participants in the program and the program desires to field three teams; and
3. The lack of participants will cause the loss of a sub-varsity program; and
4. The lack of participants will cause the school to cancel scheduled games at the sub-varsity level; and
5. A reasonable number will be designated as varsity players (in any event, not less than 7), these players to remain subject to the 4 quarters per night and 84 quarters per season limitation; and
6. The school's coaching staff has not cut, nor will cut players, nor discouraged players from participating in basketball, regardless of ability.
7. If 1-6 occur anytime during the regular season due to illness or injury, a school may request a waiver during the regular season.

Individuals may compete in a junior varsity and varsity contest on the same day. Fouling out of a contest has no bearing on eligibility to participate in the second contest.

Individuals may play in a post season tournament (Sophomore, J.V., etc.) and then be eligible to participate in the varsity district tournament if the total number of quarters he/she participated in prior to the varsity district tournament does not exceed 80.

Players who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored basketball competition.

Number of Participants/ Coaches/Support Personnel

Varsity teams may have fifteen students in uniform at all play-in and state tournament contests at the start of the contest. Violation of this rule will result in the school being assessed a maximum fine for dressing more than the approved number of players at a state play-in or tournament game with forfeiture of the game if excess numbers play. All classifications will be allowed four coaches and three support personnel to be admitted without an IHSAA card or tournament pass. Any coaches or support personnel exceeding that number must have either an IHSAA card or purchase a tournament pass.

Rules

All contests will be played under National Federation rules. Rule books and case books will be provided to school representatives at the district rules clinic.

Rule 5-10

Students who participate in varsity level district contests may not compete in sub-varsity contests following the starting date of the varsity district tournament.

Mercy Rule

At any time during the fourth quarter when the point differential is 30 points or greater, the mercy rule shall be invoked. Once in effect, the clock shall not be stopped except for called time outs. Officials will notify the timekeeper that the rule is in effect. Once the rule is in effect, it will not be revoked. The mercy rule may be used at the discretion of each district tournament. The mercy rule will not be in effect during the state play-in, or state tournament games.

Official Ball

The Official Basketball for all play-ins and state tournaments will be the Spalding TF-1000.

2019 Football

Game Limitations for Each Team

No team may play more than nine games maximum for regular season play. No interschool football game will be approved unless at least five days have elapsed from the date of the previous game by that team. The term “football team” includes sophomore, junior varsity or varsity teams in grades 9-12. With approval, a team may play on the fifth day following competition.

Game Limitations for Individual

An athlete is permitted to play a maximum of four quarters of football per day and five quarters of football per week. 1A and 2A football players may play in six quarters per week and five quarters per day providing they are not a varsity starter on offense or defense.

The week in which the five/six quarters may be played is measured from Sunday to Sunday. A student who played in two quarters of the varsity game on Friday night could play in three quarters of the JV game the following Saturday. A quarter is defined as: When a player enters play during a given quarter, the player will be credited with one quarter of play regardless of time played during the quarter.

When Playing Two Games the Same Day: Any 5A, 4A, or 3A, school may request a waiver of the four quarter per day, to five quarters per day. Any 2A, 1A, school may request a waiver of the five quarter per day, to six quarters per day. (Example: Varsity/Junior Varsity, Junior Varsity/Freshmen etc.)

Only those schools playing two games the same day will be considered. A letter requesting a waiver of the one day quarter rule must be submitted to the IHSAA signed by the principal and athletic director, that verifies:

1. There are 44 or fewer participants in the program at the 5A, 4A, 3A, 2A classifications, and 32 or fewer participants in the program at the 1A classification, and the program desire to field two teams; or
2. There are 61 or fewer participants in the program at the 5A, 4A, 3A, 2A, classifications, and 32 or fewer participants in the program at the 1A classification, and the program desires to field three teams; and
3. The lack of participants will cause the loss of a sub-varsity program; and
4. The lack of participants will cause the school to cancel scheduled games at the sub-varsity level; and
5. A reasonable number will be designated as varsity players (in any event at the 5A, 4A, 3A, 2A, classification not less than 15, and at the 1A classification not less than 7), these players to remain subject in 5A, 4A, 3A to four quarters per day, and in 2A, 1A to five quarters per day.
6. The school’s coaching staff has not cut, nor will cut players, nor discouraged players from participating in football, regardless of ability.

A contestant who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored competition of that sport.

Scheduling Requirements

All member schools that sponsor football are required to participate in the statewide scheduling of varsity football games in order to provide all schools a full and competitive schedule.

Football Rules

The official rules for football in Idaho are the National Federation rules. Football Rule Books and Case Books are to be picked up and signed for by the school representative at the district rules clinic.

40 Point Rule: If at any point in the contest there becomes a 40 point differential between the teams, the mercy rule will be in effect. Once the mercy rule is in effect, the game clock will run continuously. The only time the clock may be stopped is for injury time outs, team time outs and after a team scores. The game will be played until halftime even if the mercy rule starts in the first half of the game. The mercy rule is not in effect for IHSAA playoff or championship games.

3A and 5A teams will invoke the mercy rule at the beginning of the fourth quarter. 2A and 4A teams will invoke the mercy rule at the beginning of the third quarter.

Eight-Man Football Rules

Eight-man football shall be played under the same rules as eleven-man football except for the rule differences as listed in the NFHS rulebook. Three certified officials are required for all eight-man football games.

40 Point Rule: In eight-man football, when one team is 40 or more points ahead at the end of the first half, or if it secures such a lead during the second half, the 40 point rule shall be invoked. Once the rule is in effect, it will not be revoked.

After halftime, with the mercy rule in effect, the coach/administrator (on the losing side) may call a timeout to end the contest. Once the mercy rule is in effect the clock will continue to run and will only stop with the timeouts listed above or if the losing team calls timeout to stop the contest.

It is strongly encouraged that coaches and officials from both teams meet together prior to the contest to determine the course of action, especially if there is a strong likelihood the mercy rule may come into effect during the game. At the pre-game meeting the coaches may decide to end the contest at a certain number of point or talk through a course of action should the mercy rule come into effect.

Resolving of Ties

Games ending in a tie must be resolved by using the 10-yard line overtime procedure as outlined in the NFHS rules book. (Exception: In games that do not affect the determination of football playoff representation.) The decision to break ties or not should be made prior to the game by the two teams playing.

2019 Soccer

Game Limitation for Each Team

No team shall participate in more than 16 games per season.

Game Limitations for Individuals

An individual shall play in no more than 32 halves during regular season and no more than four (4) halves per day.

Game Limitations Per Day

No team or individual shall participate in more than two games per day during regular season play.

Number of Participants/Coaches/Support Personnel

At all play-in and state tournament games, varsity teams are limited to twenty-two students in uniform at the start of the contest. Violation of this rule will result in the school being assessed a maximum fine for dressing more than the approved number of players at a state play-in or tournament game with forfeiture of the game if excess numbers play. All classifications will be allowed three coaches and three support personnel to be admitted without an IHSAA card or tournament pass. Any coaches or support personnel exceeding that number must have either an IHSAA card or purchase a tournament pass.

Teams

Each school will be allowed to enter one varsity girls' team and one varsity boys' team into district competitions. Girls will play on a separate team and boys will play on a separate team. If a school offers a boys' team and not a girls' team, girls will be allowed to play on the boys' team. If a school offers a girls' team and not a boys' team, boys will not be allowed to play on the girls' team.

Outside Competition

Competing on a club soccer team during the IHSAA season is prohibited. See Outside Competition Rule 8-11.

Soccer Practice Games

An organized scrimmage or practice with or against teams or players not belonging to their school is considered a contest, and counts toward the allowed 16 game regular season limit.

High school soccer teams are not allowed to scrimmage or practice with or against non-high school teams or players.

Playing Rules

All contests will be played under NFHS Rules. Rule books are to be picked up and signed for by the school representatives (one for boys', one for girls') at the district rules clinic.

Officials

Only IHSAA certified officials shall officiate any IHSAA contest. Officials may become certified by complying with IHSAA certification requirements. Assignment and training of officials is the responsibility of the District Board of Control of each activity district.

Sportsmanship

Sportsmanship shall be a point of emphasis for all schools sponsoring soccer. School administrators are encouraged to hold a sportsmanship meeting with all players, coaches and parents prior to the first regular season game.

Yellow Card Accumulation Program

Schools shall be required to track and record the accumulation of yellow cards (cautions) during the soccer season by an individual player or coach. The situations surrounding red cards (4-3 Ejections) are dealt with directly under IHSAA Rule 4-3 and will not change. The consequences for the accumulation of excessive yellow cards will be as follows:

1. Beginning with the first regular season contest, any player or coach who receives a total of five (5) yellow cards in one season shall be suspended from and may not participate in the next regularly scheduled contest at that level and all contests in the interim, including postseason games. Suspended players or coaches must serve their suspension in the next scheduled contest. If the total is reached in the final postseason contest, the suspension will be served in the first contest of the following year. If a senior is to serve a suspension, it shall be rolled over to the first contest of the next sport in which the athlete is involved. The IHSAA strongly recommends that school administration meet with any coach/player who reaches suspension level to address the situation and develop protocols for improvement.
2. If a player or coach receives an additional five (5) yellow cards after the first suspension, an additional two game penalty would apply and the process would be repeated. See next page:
 - 5 yellows = 1 game suspension
 - 10 yellows = additional 2 game suspension
 - 15 yellows = additional 3 game suspension, and so on.
3. A red card with 4-3 not in effect will count as two (2) yellow cards.
4. Coaches will be responsible for tracking yellow cards accumulated by their players and/or team personnel (coaches included) and report to their athletic directors. Each school is responsible for maintaining accurate records of all yellow cards received during the regular season and postseason tournaments. Schools must notify the IHSAA when the player or coach reaches suspension level. **See "Card Accumulation Notice" on the IHSAA website.*
5. Officials shall include yellow card information in the Arbiter Game Reports when possible.
6. Yellow cards received in pre-season scrimmages or jamborees will not count towards accumulation totals.
7. Any illegal participation of suspended players or coaches may result in fines, sanctions and elimination from district and state play.
8. Any player/coach found guilty of getting him/herself deliberately cautioned will be subject to an additional match ban.
9. At the beginning of postseason play, yellow card count will reset to "0".
10. Postseason yellow card accumulation will be as follows:
 - 3 yellows = 1 game suspension*
 - 6 yellows = additional 2 game suspension*
 - 9 yellows = additional 3 game suspension, and so on*

** If a player or coach has reached suspension level during the regular season and receives 3 or more yellow cards during the postseason, the number of games suspended during the postseason will move to the appropriate level of suspension.*

Official Ball

The Official Soccer Ball for all play-in and state tournament games is the Baden Perfection Thermo ST7.

Tie Games

- A. Regular season games that are tied at the end of 80 minutes of play:
 1. The decision whether to break ties will be made prior to the game by the two teams playing.
 2. If used, tie games will be resolved by the same procedure used in (B).
- B. District, state or play-in games that are tied at the end of 80 minutes of play will be resolved as follows:

Two (2) sudden victory (10) ten-minute overtimes will be played. If the game is still tied after the (2) 10-minute overtime periods, kicks will be taken from the penalty mark with five (5) members from each team alternating kicks. After all five (5) members from each team have kicked, the team with the most goals will be declared the winner. If the game is still tied, the coach will select five (5) new players (different players than the first five (5) who kicked), to take alternating kicks in a sudden victory situation; if one team scores and the other team does not score, the game is ended without more kicks being taken.

Suspended Soccer Games

In the event a game must be suspended because of conditions which make it impossible to continue play, the head referee shall declare it as an official game if one complete half or more of the game has been played. If less than one-half of the game has been played, the game may be rescheduled from the point of suspension of play. If for reasons the schools are unable to reschedule the contest, the game shall be declared no-contest.

2020 Softball

Game Limitations

A team or individual is limited to 22 games or 20 games plus one tournament, not to exceed 24 games. If a school loses a scheduled tournament game or a school is unable to attend a tournament due to reasons beyond their control, the school can reschedule lost games. A contestant who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored competition of that sport.

Rules

All Idaho contests will be played under National Federation (NFHS) Softball Rules. Rules books and case books will be distributed to school representatives at the district rules clinics.

Idaho Rules Modifications

NFHS rules shall be followed, except as modified by the IHSAA Board of Directors. IHSAA modifications:

1. **Length of game:** This rule is in effect at the state tournament except during 5A, 4A, 3A 2A games #14 and #15 and 1A games #6 and #7. All varsity games shall be seven innings with the exception of the 10/15-run rule. A game shall end any time after the fifth inning when a team is 10 or more runs behind and has completed its turn at bat. Fast pitch games may also be terminated by mutual agreement of both coaches prior to the start of the contest and acknowledged by the umpire-in-chief under the following conditions:
 - a. When a team is ahead by 15 runs after three innings of play.
 - b. When a game exceeds the time limit of 1 ½ hours.
2. **Called game:** If weather or darkness causes a tied game to be called, such game shall be considered a suspended game and shall be continued from the point of suspension at a later time.
 - a. If a game is called before five full innings have been played and the score is not tied, such game shall also be considered a suspended game, unless the home team has scored a greater number of runs in four or four-and-a-fraction turns at bat than the visiting team has scored in five turns at bat, in which case it is a regulation game.
3. **Baseline:** The baseline shall be 60 feet.
4. **Ball:** A 12” ball shall be used. The yellow optic ball may be used in fast pitch for league play and district tournaments, and the official ball – Dudley Thunder Heat WT-12-Y-FP. – will be used at all play-in and state tournament competition.
5. **Tie-Break procedure:** Each half-inning begins by placing a runner on second base. That runner is the player in the batting order who precedes the lead-off batter in the inning. The game then proceeds a full inning or until a winner is determined in that inning. This procedure shall start at the beginning of the eighth inning or at the game time limit previously agreed upon by both coaches.

Umpires

IHSAA certified umpires must be used for all interscholastic contests. Two umpires should be used at all games.

Weight Classifications

98	106	113	120	126	132	138	145
152	160	170	182	195	220	285	

To be eligible for district and state competition, each wrestler must weigh-in at scratch weight, then compete at scratch weight, or up one weight above scratch weight, on three of the 15 regular season dates. The coach must be able to provide verification that any wrestler has made the three required weigh-ins before the seeding meeting. One may only count weigh-ins conducted at meets in which your school participates.

Weight Certification

The certification program includes three vital components that will ensure the health and safety of each individual wrestler, the three components are:

1. Establishment of healthy wrestling body weight through body composition and hydration. The minimum weight will be based on 7% body fat for males and 12% for females. Should an athlete fall below this level, they shall not be permitted to compete until a medical doctor provides written verification the wrestler's body fat level is naturally below the prescribed percentage and the health of the individual is not compromised by the lower level of body fat composition. This verification from a medical doctor will only be approved by an IHSAA certified weight assessor.
2. Development of a sound, gradual and safe weight-loss plan, which includes nutritional education if weight loss is desired. The maximum weight loss per week shall not exceed 1.5 percent of body weight during the initial descent to the wrestler's certified minimum weight class.
3. Development of a nutritional education program that is directed to the coach, individual wrestler and parent.

*See IHSAA Rules and Regulations Manual for details of weight certification program.

Arm Bands

Wrestling officials are required to wear red and green armbands in district and state tournaments.

Match Limitations

An individual may compete in a maximum of fifteen dates (no match limitations). Friday after 3:00 p.m. and Saturday may count as one date. Two day tournaments held during Christmas break when no school is in session that start at 8:00 a.m. count as only one date.

A contestant who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored competition of that sport.
