The three major areas of high school activities are weighted equally in determining recipients of the award.

- The Academic Component is based on the varsity team's cumulative GPA as submitted on the State Academic Champions application for all IHSAA sponsored sports/activity programs.
- The Performance Component is based on place of finish at IHSAA-sponsored state championships and activity program competitions.
- The Citizenship Component is based on a school's self-evaluation of their citizenship/sportsmanship activities as submitted on an itemized form. Deductions are made by the IHSAA for player and/or coach unsportsmanlike ejections and also for unsportsmanlike school behavior at state tournaments.

In addition to the primary awards, schools that score 90% on the Citizenship Component and have no player/coach ejections throughout the year or incidents of unsportsmanlike school behavior at state tournaments will receive an "Award of Excellence" certificate. The 2018-2019 Award of Excellence schools are Eagle, Mountain View, Ridgevue, Ririe, St Maries, West Jefferson, Prairie, and Genesee
